"Charlotte, Anne, and Emily Brontëe thought their detecting days were behind them, but a terrifying new discovery draws them into a devilish new mystery. Haworth Parsonage, February 1846: It's been six months since the case of the vanished bride, and the Brontëe sisters- Anne, Emily, and Charlotte-have received a steady dribble of inquiries made to Bell Brothers and Company solicitors, but nothing to really thrill them. Having found a publisher for their poems, they turn their attention toward writing a full-length novel, deciding to put their covert careers as detectors behind them. But on a bitterly cold February evening their housekeeper Tabby tells them of a grim discovery at Scar Top House, an old farmhouse belonging to the Bradshaw family, positioned at the very top of the moor. The old home is being enlarged to meet the newly enriched family's elevated status and a set of bones has been found bricked up in a chimney breast. Tabby says it's bad doings, and dark omens for all of them. The rattled housekeeper gives them a warning, telling the sisters of a chilling rumour attached to the family. The villagers believe that, on the verge of bankruptcy, Clifton Bradshaw sold his soul to the devil in return for great riches. Does this have anything to do with the bones found in the Bradshaw house? Anne, Emily, and Charlotte soon learn that true evil has set a murderous trap and they've been lured right into it!"--

The course of true love never runs smoothly, especially when the Apocalypse gets in the way—a hilarious rom-com, Bridget Jones meets Life of Brian. When 30-something Marie jilts her boring boyfriend at the altar she wonders if life can get any worse. So when a handsome carpenter comes to work on the roof, she realizes she has nothing to lose by asking him out. Even his bizarre assertions that he is Jesus isn't enough to put Marie off—her biological clock is ticking, and it's time to settle down. Meanwhile, Satan (a dead ringer for George Clooney) is on the prowl, recruiting horsemen for next week's Armageddon, scheduled for Tuesday, and Archangel Gabriel has discovered the pleasures of the flesh and is off on a sex marathon. Things are looking grim. Fortunately, Marie is dating the son of God—maybe, just maybe, he can get things straightened out. Provocative and blasphemous (with added pizza), this is a wonderfully light, witty book full of surprises.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • The Seattle Times • The Globe and Mail • Kirkus Reviews • Daily Mail • The Vancouver Sun From the author of *The Italian Teacher* and *The Imperfectionists* comes a brilliant, intricately woven novel about a young woman who travels the world to make sense of her puzzling past. Look in the back of the book for a conversation between Tom Rachman and J. R. Moehringer Following one

of the most critically acclaimed fiction debuts in years, New York Times bestselling author Tom Rachman returns with a brilliant, intricately woven novel about a young woman who travels the world to make sense of her puzzling past. Tooty Zylberberg, the American owner of an isolated bookshop in the Welsh countryside, conducts a life full of reading, but with few human beings. Books are safer than people, who might ask awkward questions about her life. She prefers never to mention the strange events of her youth, which mystify and worry her still. Taken from home as a girl, Tooty found herself spirited away by a group of seductive outsiders, implicated in capers from Asia to Europe to the United States. But who were her abductors? Why did they take her? What did they really want? There was Humphrey, the curmudgeonly Russian with a passion for reading; there was the charming but tempestuous Sarah, who sowed chaos in her wake; and there was Venn, the charismatic leader whose worldview transformed Tooty forever. Until, quite suddenly, he disappeared. Years later, Tooty believes she will never understand the true story of her own life. Then startling news arrives from a long-lost boyfriend in New York, raising old mysteries and propelling her on a quest around the world in search of answers. Tom Rachman—an author celebrated for humanity, humor, and wonderful characters—has produced a stunning novel that reveals the tale not just of one woman but of the past quarter-century as well, from the end of the Cold War to the dominance of American empire to the digital revolution of today. Leaping between decades, and from Bangkok to Brooklyn, this is a breathtaking novel about long-buried secrets and how we must choose to make our own place in the world. It will confirm Rachman's reputation as one of the most exciting young writers we have. Praise for *The Rise & Fall of Great Powers* "Ingenious . . . Rachman needs only a few well-drawn characters to fill a large canvas and an impressive swath of history."—Janet Maslin, *The New York Times* "A superb follow-up to 2010's *The Imperfectionists* . . . ambitious and engaging."—*The Seattle Times* "Engaging and inventive . . . full of wonderfully quirky, deeply flawed, but lovable characters . . . On the spectrum of interesting literary childhoods, Tooty Zylberberg—the protagonist of Tom Rachman's second novel—would rank somewhere in the vicinity of *Jane Eyre* and *Oliver Twist*."—*San Francisco Chronicle* "I found it impossible not to fall in love with shape-shifting Tooty. As an adult, she sports an ironical sense of humor and an attraction to dusty old books. As a child, her straight-faced mirth and wordplay are break-your-heart irresistible."—Ron Charles, *The Washington Post* "[A] read-it-all-in-one-weekend book."—*The New Republic* "A compelling page-turner . . . intricate, sprawling, and almost Dickensian."—*USA Today*

"Mamoon Azam is an eminent Indian-born writer who has made a career in England—but now, in his early seventies, his reputation is fading, his book sales are nonexistent, and his flamboyant second wife's expensive habits are bleeding him dry. In an attempt to revitalize his career and reputation, Mamoon's publisher commissions Harry, an ambitious young writer, to pen the famous writer's biography. Honored and slightly intimidated, Harry promises himself that he will present an unbiased look at his literary hero—but Mamoon's publisher is after a more naked truth, a salacious tale of the author's life that will generate headlines. Meanwhile, Mamoon is less than cooperative. Vain, breathtakingly cynical, and cruelly manipulative, Mamoon turns out to have a hidden agenda of his own. Harry and Mamoon find themselves in a battle of wills, but which of them will have the last word? The ensuing struggle for dominance raises questions of love and desire, loyalty and betrayal, and the frailties of age versus the recklessness of youth. A poignant and brilliantly entertaining book, *THE LAST WORD* is a tale of youthful exuberance, as hilarious as it is moving, and is Kureishi's most important work to date"--
