from Terry Brooks's *The Measure of the Magic*. Terry Brooks won instant acclaim with his phenomenal New York Times bestseller *The Sword of Shannara*. Its sequels earned Brooks legendary status. Then his darkly enthralling *The Word and the Void* trilogy revealed new depths and vistas to his mastery of epic fantasy. *Armageddon's Children* and *The Elves of*

Cintra took Brooks's remarkable mythos to a breathtaking new level by delving deep into the history of Shannara. And now, *The Gypsy Morph* rounds out—with an adventure of unforgettably imaginative scope—the first phase of a new chapter in this classic series. Eighty years into the future, the United States is a no-man's-land: its landscape blighted by chemical

warfare, pollution, and plague; its government collapsed; its citizens adrift, desperate, fighting to stay alive. In fortified compounds, survivors hold the line against wandering predators, rogue militias, and hideous mutations spawned from the toxic environment, while against them all stands an enemy neither mortal nor merciful: demons and their minions bent on slaughtering and subjugating the last of humankind. But from around the country, allies of good unite to challenge the rampaging evil. Logan Tom, wielding the magic staff of a Knight of the Word, has a promise to keep—protecting the world's only hope of salvation—and a score to settle with the demon that massacred his family. Angel Perez, Logan's fellow Knight, has risked her life to aid the elvish race, whose peaceful, hidden realm is marked for extermination by the forces of the Void. Kirisin Belloruus, a young elf entrusted with an ancient magic, must deliver his entire civilization from a monstrous army. And Hawk, the rootless boy who is nothing less than destiny's instrument, must lead the last of humanity to a latter-day promised land before the final darkness falls. The Gypsy Morph is an

epic saga of a world in flux as the mortal realm yields to a magical one; as the champions of the Word and the Void clash for the last time to decide what will be and what must cease; and as, from the remnants of a doomed age, something altogether extraordinary rises.

BONUS: This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*. Horrified by the misuse of magic they had witnessed during the First War of the Races, the Druids at Paranor devoted themselves to the study of the old sciences, from the period before the collapse of civilization a thousand years before. Only the Bremen and a few trusted associates still studied the arcane arts. And for his persistence, Bremen found himself outcast, avoided by all but the few free-thinkers among the Druids. But his removal from Paranor was not altogether a terrible thing, for Bremen learned that dark forces were on the move from the Northlands. That seemingly invincible armies of trolls were fast conquering all that lay to their south. That the scouts for the army—and its principal assassins—were Skull Bearers, disfigured and transformed

Druids who had fallen prey to the seductions of the magic arts. And that at the heart of the evil tide was an archmage and former Druid named Brona! Using the special skills he had acquired through his own study of Magic, Bremen was able to penetrate the huge camp of the Troll army and learn many of its secrets. And he immediately understood that if the peoples of the Four Lands were to escape eternal subjugation they would need to unite. But, even united, they would need a weapon, something so powerful that the evil magic of Brona, the Warlock Lord, would fail before its might...

NEW YORK TIMES BESTSELLER Five hundred years have passed since the devastating demon-led war tore apart the United States and nearly exterminated humankind. Those who escaped the carnage were led to sanctuary in an idyllic valley, its borders warded by powerful magic against the horrors beyond. But the cocoon of protective magic surrounding the valley has now vanished. When Sider

Ament, the only surviving descendant of the Knights of the Word, detects unknown predators stalking the valley, he fears the worst. And when expert Trackers find two of their own gruesomely killed, there can be no doubt: The once safe haven has been made vulnerable to whatever still lurks in the outside wasteland. Together, Ament, the two young Trackers, and a daring Elf princess spearhead plans to defend their ancestral home. And in the thick of it all, the last wielder of the black staff and its awesome magic must find a successor to carry on the fight against the cresting new wave of evil.

Angel Fire East FriesenPress

The first book of the triumphant and epic four-part conclusion to the Shannara series, from one of the all-time masters of fantasy. Across the Four Lands, peace has reigned for generations. But now, in the far north, an unknown enemy is massing. More troubling than the carnage is the strange and wondrous power wielded by the attackers—a breed of magic unfamiliar even to the Druid order. Fearing the worst, the High Druid dispatches a diplomatic party under the protection of the order's sworn guardian, Dar Leah, to confront the mysterious, encroaching force and discover its purpose. But another crucial journey is being undertaken. Exiled onetime High Druid Drisker Arc has been living in quiet seclusion, far from the politics and power struggles of his former life, until two brutal attacks by would-be assassins force him to seek out an infamous murder-for-hire guild—and find the hidden enemy who has marked him for death. At his side is Tarsha Kaynin, a young woman gifted with the wishsong and eager to be schooled in its formidable power by a master. She, too, is pursuing a mission: to locate her wayward brother, whose own magic has driven him to

deadly madness and kindled his rage for vengeance . . . against his sister. In their darkest hours, facing dangerous adversaries, the lives and quests of Dar Leah, Drisker Arc, and Tarsha Kaynin will be inextricably drawn together. And the challenges each confronts will have resounding consequences for the future of the Four Lands. Praise for *The Black Elfstone* “Epic scope, heroic characters, and so much heart . . . proof that the Shannara series can still reach new heights.”—Tordotcom “A strong opening book . . . The Four Lands face a new threat.”—Fantasy Book Review “Fantastic . . . one of the best books in this saga.”—SFRevu

The Druid of Shannara Del Rey
NEW YORK TIMES BESTSELLER The adventure that started in *Wards of Faerie* takes a thrilling new turn, in the second novel of Terry Brooks's brand-new trilogy—*The Dark Legacy of Shannara*! The quest for the long-lost Elfstones has drawn the leader of the Druid order and her followers into the hellish dimension known as the Forbidding, where the most dangerous creatures banished from the Four Lands are imprisoned. Now the hunt

for the powerful talismans that can save their world has become a series of great challenges: a desperate search for kidnapped comrades, a relentless battle against unspeakable predators, and a grim race to escape the Forbidding alive. But though freedom is closer than they know, it may come at a terrifying price. Back in the village of Arborlon, the mystical, sentient tree that maintains the barrier between the Four Lands and the Forbidding is dying. And with each passing day, as the breach between the two worlds grows larger, the threat of the evil eager to spill forth and wreak havoc grows more dire. The only hope lies with a young Druid, faced with a staggering choice: cling to the life she cherishes or combat an army of darkness by making the ultimate sacrifice. Intense and exhilarating . . . The author balances character development with intense action, and he has a gift for creating characters the reader cares about. Brooks

is one of the best fantasy writers in the business, and *Bloodfire Quest* is better than its predecessor.”—Associated Press “Shannara fans will delight in Brooks’s sorcerous action, skilled characterizations, and rapid-fire storytelling twists.”—Publishers Weekly “Brooks mixes things up here with several sharp battle scenes, for which he brings his distinct talent, giving a true grandeur to clashes involving terrifying creatures and powerful magic. . . . A fine middle chapter to Brooks’ latest Shannara adventure.”—Kirkus Reviews “From the first pages to the harrowing ending, *Bloodfire Quest* . . . is a thrill ride that will leave readers wanting more. . . . This volume, paired with the first, might be just the right place to introduce new readers to this fine writer.”—Booklist (starred review) Praise for Terry Brooks “I can’t even begin to count how many of Terry Brooks’s books I’ve read (and reread) over the years. From Shannara to *Landover*, his work was a huge part of my childhood.”—Patrick Rothfuss, New York Times bestselling author of *The Name of the Wind* “Terry Brooks has been my constant companion over a lifetime of

exploring my beloved fantasy genre. I say with all honesty I would not be writing epic fantasy today if not for Shannara. If Tolkien is the grandfather of modern fantasy, Terry Brooks is its favorite uncle.”—Peter V. Brett, New York Times bestselling author of *The Desert Spear* “Terry Brooks is a master of the craft and a trailblazer who established fantasy as a viable genre. Not only do I owe him for many hours of reading pleasure, I owe him my job. He is required reading.”—Brent Weeks, New York Times bestselling author of *The Night Angel Trilogy* *The Gypsy Morph Del Rey* For the first time in one elegant collector’s edition hardcover, and featuring an introduction by New York Times bestselling author Terry Brooks, here are the first three novels of that classic series: *The Sword of Shannara*, *The Elfstones of Shannara*, and *The Wishsong of Shannara*—the beginning of a phenomenal epic of good and evil. The *Sword of Shannara* Long ago, the wars of the ancient Evil ruined the world. In peaceful *Shady Vale*, half-elfin Shea Ohmsford knows little of such troubles. But the supposedly dead Warlock Lord is plotting

to destroy everything in his wake. The sole weapon against this Power of Darkness is the Sword of Shannara, which can be used only by a true heir of Shannara. On Shea, last of the bloodline, rests the hope of all the races. The Elfstones of Shannara The magical Ellcrys tree is dying, loosening the spell that bars the Demons from enacting vengeance upon the land. Now Wil Ohmsford must guard the Elven girl Amberle on a perilous quest as she carries one of the Ellcrys' seeds to a mysterious place where it can be quickened into a powerful new force. But dark on their trail comes the Reaper, most fearsome of all Demons, aiming to crush their mission at any cost. The Wishsong of Shannara An ancient Evil is stirring to new life, sending its ghastly Mord Wraiths to destroy Mankind. To win through the vile growth that protects this dark force, the Druid Allanon needs Brin Ohmsford—for she alone holds the magic power of the wishsong. Reluctantly Brin joins the Druid on his dangerous journey. But a prophecy foretells doom, as Evil nurses its plans to trap the unsuspecting Brin into a fate far more horrible than death. Thus begins Terry Brooks's thrilling Shannara epic, an

unforgettable tale of adventure, magic, and myth. BONUS: This edition contains an excerpt from Terry Brooks's The Measure of the Magic.

An ancient bloodline. A powerful enemy. A hidden sword with the power to save or destroy the Earth. Ian Dekker is a twenty-five-year-old filmmaker and hockey fanatic living a happy life in Toronto, but little does he know his destiny is about to change forever. The arrival of a mysterious letter from his deceased grandfather draws him back to his home city of Montreal, to his grandfather’s old house, where he follows clues that lead him to an astonishing truth. Ian is a descendant of the Pendragons: the family who, in the Middle Ages, established a vast empire in Western Europe, giving rising to legendary figures such as the High King Uther, whose mentor was none

other than the great wizard Merlin. However, as Ian learns, King Uther had a jealous sibling named Morgana, who, after living in her brother’s shadow, turned to darkness in order to gain power and exact her revenge. Merlin and Uther managed to trap Morgana inside the sword Excalibur—but now, centuries later, she is on the brink of escaping her magical prison with the help of loyal followers. This is where Ian comes in. Just like his grandfather before him, Ian must harness his magic and inner strength in order to keep evil at bay. Armed with only his grandfather’s journal, myth comes to life, and Ian is swept into an adventure that takes him across the world and between realms—from light into shadow—as he accepts his destiny. By his side is his childhood friend, Kate, as well as his mother, Lynn, who both help him navigate the mysterious waters of his family history. Ian’s courage and strength are tested as he searches for answers, meeting cruel enemies along the way who use trickery and possession in order to pursue Ian in his quest. In this story, good and evil have the same destination, and only the legacy of a grandson—fuelled by

his grandfather’s love and trust—can save the world from complete destruction.
