The Marriage That Works A Practical Guide to Marital Bliss
 A Practical Guide to Personal and Marital Happiness
 People sometimes say that life doesn't come with a manual. But as you are about to discover, that is not necessarily true. Your decisive guide to personal development and marital bliss has arrived! Mordechai and Esther Fintz, authors of the popular books, *What Makes Our Life a Success* and the *TLC* series, present their insightful all-in-one handbook that features comprehensive ways to conduct your journey to personal and marital happiness, peace, and success. The authors demonstrate that only when you engage in self-improvement, your ultimate goal of leading a fulfilling life with your soulmate and family lies within reach. The book also offers valuable techniques for realizing your dreams, planning your wedding and honeymoon, and cultivating habits that will help you sustain a rock-solid romantic and marital relationship and overall family experience. Decades of happily married life have given the authors unique perspectives on the above topics, which they incorporate into their everyday lives and seek to share with their wide readership. Dive into the book's pages and discover your personal and marital happiness. Read the offered wisdom repeatedly and adapt each lesson to your vision and lifestyle. The book will forever change you and your outlook on yourself, your soulmate, and life in general.

BLISS... and completely SAFEGUARD your marriage? This is THE MOST IMPORTANT BOOK you will ever read!" Get the *Sexual Mastery Book* and see: *How you can, as a man, overcome low libido, boost your testosterone levels naturally, & increase your sexual desires! (Page 12) *How to supercharge your sex drive, as a lady, & radically boost your desire for sex! Stop depriving your spouse of sex. Stop dodging, "forming busy", making excuses, or complaining of not being in the mood. (Page 18) *How to overcome weak erection & maintain rock-hard erection always! No more embarrassments from being unable to get it up when you needed it to the most! (Page 21) *How to overcome premature ejaculation & last as long as you want in bed. Enough of being a "2-minute man" or "indomie-man". Stop being selfish, satisfying only yourself, & leaving her "hanging" & dissatisfied! (Page 43) *Guys, you must become a Sex-god! Uncover all the sex secrets & tricks deliberately hidden away from the uninitiated & jealously guided by porn-stars & sex therapists! (Chapter 6) *Ladies, you must up your sex-game! Stop saying "sex is not my thing" & lying down like a log of wood during sex! You must learn to unleash the sexual tigress lying dormant in you! (Chapter 7) *Sex is NOT supposed to be painful. Learn how to make sex painless & full of pleasures! (Page 105) *How to get pregnant fast, on one hand; & how to prevent getting pregnant, on the other hand! (Page 115) *On Page 120 -129, you will learn how to enjoy foreplay that is full of electricity & chemistry! *Practical Solutions for ladies who hardly enjoy sex or have never achieved orgasm ever before! (Page 131) *The last part of the book reveals a 7-Day Sex Challenge -- especially for couples in a "sexless marriage", or couples suffering from low libido -- and could go for weeks (or even months) without sex! And so much more! You see, it takes more than sex to build a great marriage, but it is almost impossible to build a great marriage without it. We can no longer deny it. It is now clear to us from reliable statistics and personal stories that sexual satisfaction is extremely important for marital satisfaction. A significant number of divorces are due to sex-related issues. Husbands display poor sexual performance. Wives experience poor sexual satisfaction. Dissatisfaction. Disrespect. Divorce. Infidelity. And other problems arise from the bedroom (unknown to many!) A thriving marriage and family is the backbone of any productive society. God's purpose on Earth depends on healthy and happy families. Sex education in contemporary time is grossly inadequate. We can't keep quiet any longer. Based on the writer's wealth of knowledge and experience as a medical doctor, scientific researcher, sex therapist, and husband, *Sexual Mastery* uses a proven, step-by-step scientific method and system to address major sexual problems and questions couples face with the goal of taking couples from being poor (and average) lovers to extraordinary lovers! This book is raw, practical, easy-to-understand and straight-to-the point (without being obscene and pornographic).

Marital Bliss?"My wife is a nag!" "My husband thinks I'm his slave!" "We just don't love each other anymore." 'Common phrases in an all too common world of marital failure. We hear them everyday from our co-workers, our friends, and even ourselves. The separation and divorce rate among Christian couples continues to rise while thousands of other Christian couples continue to live together in something far less than the 'abundant life' that Jesus promised. Is your marriage turning out differently than you expected? Are all of today's alarming statistics making you wary of ever getting married? Well you are not alone. In *Toward a Growing Marriage*, Dr. Chapman offers the hope you've been looking for. The author of the best-selling book *The Five Love Languages*, will help you get your marriage off to a good start or back on the right track with advice that is both biblical and practical. Part of the problem, according to Dr. Chapman, is that too many times our churches have focused on the negative biblical directives when teaching about marriage. We need to know more than to not marry a non-believer and to save sex for marriage. We need to know how to succeed. *Toward a Growing Marriage* is divided into two sections in order to help two different audiences succeed: those who are in the process of finding a spouse who will be a 'fitting' or 'suitable' marriage partner those who have already said 'I do' and are trying to fulfill that commitment. Marital happiness is not automatic, but the practical application of Dr. Chapman's helpful information will put couples well on their way to successful and fulfilling marriages. (Barnes & Noble).

Although *The Total Man* is a humorous, yet practical parody of marital self-help guides, readers can still come to a better understanding of why marriages stagnate, and what it will take to build a better relationship. The book is also cathartic for women who have been led to believe that successful relationships depend on their ability to change by repeatedly pointing out how ridiculous this notion is.

You're a faithful, Bible-believing Christian man. Years ago you felt a calling from God to marry and start a family, and you wed a bright, beautiful, loving, Godly woman to share your life with. What could go wrong? Plenty. Today your wife consistently treats you with derision and angrily contends with you over the smallest issues, then laments that you are emotionally distant and apathetic when you pull away. You've read all of the relationship books and done marriage counseling/pastoral counseling. You may have even engaged in a trial separation or two. Nothing has helped. You have not abandoned your wife, nor she you, and neither of you has committed adultery as of yet, so you don't consider divorce a viable option (although family and friends might be encouraging you to do it). You want to honor and obey God, however, by remaining in the marriage. But the temptations to end the struggle and emotional pain are strong. You are about ready to give up. Before you do, buy this book. For about the price of tall cup of an upscale premium cappuccino or café latté, you'll have a resource that might change your perceptions, expectations, and approaches with regard to your wife and the relationship you share. *Your Snake Has STRIPES!* A Practical Guide for Marital Bliss With An Angry & Contentious Woman is a concise, wry and irreverent self-help book for Christian husbands in emotionally difficult relationships with wives who are predisposed to anger, defensiveness, and conflict issues. Using the Appalachian expression "meaner than a striped snake" as the foundation of his central metaphor, author Edward X. Winston offers consolation to husbands of angry and contentious women and a healthy new way of reframing a man's interpretations of such behaviors.
