Personality Development and Soft Skills Mihir Prajapati
 What is 360° Personality Development? Personality development means enhancing the traits that make your personality. It will help you in influencing & inspiring people. Personality development is very important & the foundation of this eBook Personalities are not born, they are forged One is not born on this earth with good communication & leadership skills, rather he has to learn them. The importance of personality development can be summed in following points: 1. Holistic growth: It will help in your all-round development & enhances your best personality. 2. Increase confidence: When you feel good inside & outside, you become confident. You can influence others & achieve success. 3. Enhances your personality: Everyone wants a magnificent personality that can influence anyone. 4. Enhance communication skills: Communication skills are the center point of personality. explain your point to others, you will not even get connected, so convincing them is far away. 5. Conflict resolution & stress control: If you are a confident person, you will look upon positive aspects of life & face difficulties with a smile. Also, you will be able to handle difficult conversations & situations. 6. Builds a positive attitude in life: A person with a negative mindset sees problems in everything & he remains unsatisfied. If you are confident, you try to handle every situation positively. 7. Professional growth: If you have a strong personality, you will move towards success & growth in the profession. You will focus on your growth & journey, not the others. 8. Makes a personality reliable & credible: Credibility comes from strong character. Personality development is not limited to impressive dressing & communication skills, many other factors make you a reliable person in life.

Ten Suggestions for Personality Development Rupa

Personality Development and Behavioural Skills Sterling Publishers Pvt. Ltd

Communication has an important place in human society. Social awareness is the product of communication. Communication is the process of transmitting information and common understanding from one person to another. The study of communication is important, because every administrative function and activity involves some form of direct or indirect communication. Communication is the basis of social interaction. Communication skill can decide our success in social life in general and professional life in particular. In the process of communication, the sender of the message and its receiver may have to face certain obstacles called 'barriers of communication'.

Personality Development and Life Management Astitva Prakashan

Personality development is a collection of stress antidote for today's tension torn human beings. An alarming increase in the events of depression, frustration, stroke and suicide despite abundant material possessions, necessitates exploration of the root cause. The remedies suggested in the book will rid the readers from most of the psychosomatic manifestations of today by kindling in them the light of right thinking and an astute channelization of their potentialities.

Tips for Personality Development Fingerprint! Publishing Corporations have long passed the buck of training people in employability, soft skills and personality development to the educational institutions. Textbooks must support and supplement the efforts of teachers and the students. Texts must find new ways of projecting the subject reflecting inter-dependent nature of personality development, career planning, soft skills, employability, and English language skills, the lingua franca of international community and link Indian language.

Personality Development and Self-growth Upkar Prakashan

The book is a presentation of techniques to know, improve and develop the most sought after attribute of a person i.e. his or her personality. It is written in a lucid and simple language, which will be helpful not only for professionals but also for homemakers, students and entrepreneurs. The time-tested, simple-to-follow techniques and guidelines suggested in the book will help the reader develop a successful and confident personality.

How to Develop a Powerful and Positive Personality Oxford University Press, USA

This book aims to provide crucial insights into various facets of developing one's personality, as well as to improve written, verbal, and non-verbal communication skills. Special attention has been paid to the specific needs of a job aspirant, such as writing of effective CVs, participation in group discussions, tackling job interviews, and to hone one's public speaking and speed-reading skills.
