MUHAMMAD HOWARD

The Dead and Buried CreateSpace
Funny. Sexy. Cross Dressing. Not your
mother's Regency Romance. After the
death of her miserly cousin Antony North,
Millicent Boarder is determined her family
should never be poor or vulnerable
again. To protect them she conceals her
cousin's death and assumes his identity.
Now she must face the Ton and the world
as Mr. North and accept the price she
must pay for her family's safety -- she will

never be loved. Which means now is the
perfect time for her to rescue a duke ... up
to his neck in a mud puddle!

Into Thin Air Xlibris Corporation

Acclaimed sci-fi author Alan E. Nourse
offers up an exciting tale of treachery,
adventure, and vast wealth in the novel
Gold in the Sky. The story unfolds among
the rarefied and rough-and-tumble crews
who mine the surface of asteroids for
valuable metals and minerals. Much like
the lawless mining towns of the Old West,
these groups are made up of rapacious
types who will stop at nothing to strike it
rich.

Buried in the Sky Anchor

In the tradition of Jon Krakauer's *Into Thin Air*, Nick Heil recounts the harrowing story of the deadly and controversial 2006 climbing season on Everest. In early May 2006, a young British climber named David Sharp lay dying near the top of Mount Everest while forty other climbers walked past him on their way to the summit. A week later, Lincoln Hall, a seasoned Australian climber, was left for dead near the same spot. Hall's death was reported around the world, but the next day he was found alive after spending the night on the upper mountain with no food

and no shelter. If David Sharp's death was shocking, it was not singular: despite unusually good weather, ten others died attempting to reach the summit that year. In this meticulous inquiry into what went wrong, Nick Heil tells the full story of the deadliest year on Everest since the infamous season of 1996. He introduces Russell Brice, the outfitter who has done more than anyone to provide access to the summit via the mountain's north side—and who some believe was partially responsible for Sharp's death. As more climbers attempt the summit each year, Heil shows how increasingly risky expeditions and unscrupulous outfitters threaten to turn Everest into a deadly circus. Written by an experienced climber and outdoor writer, *Dark Summit* is both a riveting account of a notorious climbing season and a troubling investigation into whether the pursuit of the ultimate mountaineering prize has spiralled out of control.

Kitty Hawk and the Hunt for Hemingway's Ghost is the exciting second installment in a new series of adventure mystery stories

that are one part travel, one part history and five parts adventure. This second book in the series continues the adventures of Kitty Hawk, an intrepid teenage pilot who has decided to follow in the footsteps of her hero Amelia Earhart and make an epic flight around the entire world. After flying across North America Kitty's journey takes her down south to Florida where she plans to get a bit of rest and relaxation before continuing on with the rest of her long and grueling flight. As Kitty explores the strange and magical water world of the Florida Keys her knack for getting herself into precarious situations sweeps her headlong into the adventure of a lifetime involving mysterious lights, ancient shipwrecks, razor-toothed barracudas and even a sighting of the great Ernest Hemingway himself. This exhilarating story will have armchair explorers and amateur detectives alike anxiously following every twist and turn as they are swept across the landscape and history of the Florida Keys all the way from Key West to the strange and remarkable world of Fort Jefferson and the Dry Tortugas.

A haunted house, a buried mystery, and a very angry ghost make this one unforgettable thriller. Jade loves the house she's just moved into with her family. She doesn't even mind being the new girl at the high school: It's a fresh start, and there's that one guy with the dreamy blue eyes. . . . But then things begin happening. Strange, otherworldly things. Jade's little brother claims to see a glimmering girl in his room. Jade's jewelry gets moved around, as if by an invisible hand. Kids at school whisper behind her back like they know something she doesn't. Soon, Jade must face an impossible fact: that her perfect house . . . is haunted. Haunted by a ghost who's seeking not just vengeance, but the truth. The ghost of a girl who ruled Jade's school -- until her untimely death last year. It's up to Jade to put the pieces together before her own life is at stake. As Jade investigates the mystery, she discovers that her new friends in town have more than a few deep, dark secrets. But is one of them a murderer?

Boy from the Sky W. W. Norton & Company

Poetry. "Of light, flesh and the sheen of daily life, these poems speak with eloquence, and exquisite measured grace-then a wind from another world sweeps through these crafted moments and we plummet into strong and strange blue depths where the natural world crosses and recrosses into the sacred"-Judyth Hill.

BURIED IN THE SKY The people of the Zend did not bury their dead, nor did they burn them. What they did do was build towers... Set 30 years prior to the events of *The Fire and The Forge*, this short story concerns a lonely corpse-bearer whose life turns upside down one day when he sees soldiers on the horizon... **MERCY KILLING** After suffering a horrible tragedy, hitman Jules Hallenbeck goes on the run, and it's up to Del Copeland to find him. Del's a cop, but he's not about to bring Jules in. In fact, his loyalties lie more with Neville Ludlow, the mobster who employed Jules, than the badge he wears. And Neville wants Jules dead. But it'll be up to Del to pull the trigger. All of this is complicated by an accountant of Neville's, Seraphina Lang, who Del soon discovers knows more than she's letting on...

The Buried Sky The Floating Press

HEAVEN RIDE is a techno-thriller about two loyal friends who unlock secrets of the human soul and invent a device that ejects the soul and long-term memory on its path to heaven, and then brings it back. The "Pod" enables them to build Heaven

Ride into the most lucrative empire the world has ever known, until ruthless rivals embark on a campaign of deceit, treachery and betrayal to wrest it away for their own insidious plan. This quandary of science and morality may change the way you think about heaven and the afterlife ... **FOREVER.** * * * David Brownington, a brilliant entrepreneurial mastermind with a leading business incubator, comes in contact with a mysterious gadget that measures wavelengths never seen before. His close friend, JW Gomez, a third-year Ph.D. candidate, supercedes the boundaries of his doctoral studies using a bio-pod that creates out-of-body experiences. Driven by memories of his little brother who perished in a gruesome accident as a child, JW's extra-curricular studies of sudden traumatic death lead to the astonishing discovery of the human soul. When David and JW merge these devices, they stumble upon the highway to heaven. Each of them falls in love as their miraculous invention takes the world by storm. Millions make the trip. As *Heaven Ride* prospers, its repercussions ripple throughout society. Protests, bombs and kidnappings threaten to shut it down,

posing risks to David, JW, their friends and families. Long after Heaven Ride becomes a household word, startling revelations put David and JW in the crosshairs of dangerous men seeking ultimate power. With HEAVEN RIDE, John Eccleston and Kerry Gleason have woven an intense tale of ambition, success, friendship, betrayal, greed and corruption. It's an intricate and interesting tale of mankind's most startling invention, and technology gone awry.

Book One: Sojourn of Souls Vintage Canada

A hundred hundred seasons have turned since the Goddess banished the Small Gods to the sky, leaving the land to mankind alone. For Prince Teryk, life behind the castle walls is boring and uneventful until he stumbles upon an arcane scroll in a long-forgotten chamber. The parchment speaks of Small Gods, the fall of man, and the kingdom's savior-the firstborn child of the rightful king. It's his opportunity to prove himself to his father, the king, and assure his place in history.

All he needs to do is find the man from across the sea-a man who can't possibly exist-and save mankind. But ancient magic has been put in motion by a mysterious cult determined to see the Small Gods reborn. Powerful forces clash, uncaring for the lives of mortals in their struggle to prevent the return of the banished ones, or aid in their rebirth. Named in a prophecy or not, what chance does a cocky prince who barely understands the task laid before him stand in a battle with the gods?

You Can Live in Heaven More Than on the Earth Ridiculous Lovers

#1 NATIONAL BESTSELLER • "A harrowing tale of the perils of high-altitude climbing, a story of bad luck and worse judgment and of heartbreaking heroism." —PEOPLE

A bank of clouds was assembling on the not-so-distant horizon, but journalist-mountaineer Jon Krakauer, standing on the summit of Mt. Everest, saw nothing that "suggested that a murderous storm was bearing down." He was wrong. The storm, which claimed five lives and left countless more--including Krakauer's--in guilt-ridden disarray, would also provide the impetus for *Into Thin Air*, Krakauer's epic account

of the May 1996 disaster. By writing *Into Thin Air*, Krakauer may have hoped to exorcise some of his own demons and lay to rest some of the painful questions that still surround the event. He takes great pains to provide a balanced picture of the people and events he witnessed and gives due credit to the tireless and dedicated Sherpas. He also avoids blasting easy targets such as Sandy Pittman, the wealthy socialite who brought an espresso maker along on the expedition. Krakauer's highly personal inquiry into the catastrophe provides a great deal of insight into what went wrong. But for Krakauer himself, further interviews and investigations only lead him to the conclusion that his perceived failures were directly responsible for a fellow climber's death. Clearly, Krakauer remains haunted by the disaster, and although he relates a number of incidents in which he acted selflessly and even heroically, he seems unable to view those instances objectively. In the end, despite his evenhanded and even generous assessment of others' actions, he reserves a full measure of vitriol for himself. This updated trade paperback edition of *Into Thin Air* includes

an extensive new postscript that sheds fascinating light on the acrimonious debate that flared between Krakauer and Everest guide Anatoli Boukreev in the wake of the tragedy. "I have no doubt that Boukreev's intentions were good on summit day," writes Krakauer in the postscript, dated August 1999. "What disturbs me, though, was Boukreev's refusal to acknowledge the possibility that he made even a single poor decision. Never did he indicate that perhaps it wasn't the best choice to climb without gas or go down ahead of his clients." As usual, Krakauer supports his points with dogged research and a good dose of humility. But rather than continue the heated discourse that has raged since *Into Thin Air*'s denouncement of guide Boukreev, Krakauer's tone is conciliatory; he points most of his criticism at G. Weston De Walt, who coauthored *The Climb*, Boukreev's version of events. And in a touching conclusion, Krakauer recounts his last conversation with the late Boukreev, in which the two weathered climbers agreed to disagree about certain points. Krakauer had great hopes to patch things up with Boukreev, but the Russian

later died in an avalanche on another Himalayan peak, Annapurna I. In 1999, Krakauer received an Academy Award in Literature from the American Academy of Arts and Letters--a prestigious prize intended "to honor writers of exceptional accomplishment." According to the Academy's citation, "Krakauer combines the tenacity and courage of the finest tradition of investigative journalism with the stylish subtlety and profound insight of the born writer. His account of an ascent of Mount Everest has led to a general reevaluation of climbing and of the commercialization of what was once a romantic, solitary sport; while his account of the life and death of Christopher McCandless, who died of starvation after challenging the Alaskan wilderness, delves even more deeply and disturbingly into the fascination of nature and the devastating effects of its lure on a young and curious mind."

The Extraordinary Story of the Sherpa Climbers on K2's Deadliest Day W. W.

Norton & Company

The Book of Knowledge and Wonder is a memoir about claiming a legacy of wonder from knowledge of a devastating event. In

some ways it has the feel of a detective story in which Steven Harvey pieces together the life of his mother, Roberta Reinhardt Harvey, who committed suicide when he was eleven, out of the 406 letters she left behind. Before he read the letters his mother had become little more than her death to him, but while writing her story he discovered a woman who, despite her vulnerability to depression, had a large capacity for wonder and a love of familiar things, legacies that she passed on to him. The book tackles subjects of recent fascination in American culture: corporate life and sexism in the fifties, mental illness and its influence on families, and art and learning as a consolation for life's woes, but in the end it is the perennial theme of abiding love despite the odds that fuels the tale. As the memoir unfolds, his mother changes and grows, darkens and retreats as she gives up her chance at a career in nursing, struggles with her position as a housewife, harbors paranoid delusions of having contracted syphilis at childbirth, succumbs to a mysterious, psychic link with her melancholic father, and fights back against depression with counseling, medicine, art, and learning.

Harvey charts the way, after his mother's death, that he blotted out her memory almost completely in his new family where his mother was rarely talked about, a protective process of letting go that he did not resist and in a way welcomed, but the book grows out of a nagging longing that never went away, a sense of being haunted that caused the writer to seek out places alone-dribbling a basketball on a lonely court, going on long solitary bicycle rides, walking away from his family to the edge of a mountain overlook, and working daily at his writing desk-where he might feel her presence. In the end, the loss cannot be repaired. Her death, like a camera flash in the dark, blotted out all but a few lingering memories of her in his mind, but the triumph of the book is in the creative collaboration between the dead mother, speaking to her son in letters, and the writer piecing together the story from photographs, snatches of memory, and her words so that he can, for the first time, know her and miss her, not some made up idea of her. The letters do not bring her back-he knows the loss is irrevocable-but as he shaped them into art, the pain, that had been nothing more than a dull throb,

changed in character, becoming more diffuse and ardent, like heartache.

No Way Down By the Book Mysteries
The book is a collection of forty poems that are divided into four groups of poetic forms. The forms include villanelles, sestinas, pantoums and sonnets. Every poem tells a story and some of the poetry narrate more optimistic tales while other poems explore societal issues. Issues explored within the poems include unfaithfulness, the media, bullying, science, agriculture, adoption and more. The optimistic poems in the collection explores friendship, marriage, love, holidays, seasons and nature. The optimistic poetry contrasts the serious undertones presented within the more political poems.

Rise Above Now Scholastic Inc.

In a story of Everest unlike any told before, Jamling Tenzing Norgay gives us an insider's view of the Sherpa world. As Climbing Leader of the famed 1996 Everest IMAX expedition led by David Breashears, Jamling Norgay was able to

follow in the footsteps of his legendary mountaineer father, Tenzing Norgay, who with Sir Edmund Hillary was the first to reach the summit of Mount Everest, in 1953. Jamling Norgay interweaves the story of his own ascent during the infamous May 1996 Mount Everest disaster with little-known stories from his father's historic climb and the spiritual life of the Sherpas, revealing a fascinating and profound world that few -- even many who have made it to the top -- have ever seen. *Heaven Ride* LA Alameda Press
Don't miss the first book in a brand-new gripping and hilarious bookish cozy mystery series by author Tamara Berry!

Put your sleuthing hat on--Buried in a Good Book features: A thriller writer who knows way more than anyone should about death and dismemberment Her young daughter who's more intrigued by dead bodies than she probably should be An isolated cabin in the woods that's probably--definitely--hiding something The tiny mountain town that seems less than troubled by a sudden abundance of murders Bestselling thriller writer Tess Harrow is almost at the end of her rope when she arrives with her teenage daughter at her grandfather's rustic cabin in the woods. She hopes this will be a time for them to heal and bond after Tess's

recent divorce, but they've barely made it through the door when an explosion shakes the cabin. Suddenly it's raining fish guts and...is that a human arm? Tess was hardly convincing Gertie that a summer without Wi-Fi and running water would be an adventure. Now she's thrust into a murder investigation, neighbors are saying they've spotted Bigfoot in the woods near her cabin, and the local sheriff is the spitting image of her character Detective Gabriel Gonzales--something he's less than thrilled about. With so much more than her daughter's summer plans at stake, it's up to Tess to solve this case before anyone else gets hurt.
