KENZIE JONAH

The Los Angeles Plaza Rowman &
Littlefield

A kid raised by his father's fists on the wrong side of a blue-collar town, Lorne Campbell grew up watching the local bikers ride past, making him wonder what that kind of freedom and power would feel like. He soon found out. At the age of 17, he became the youngest-ever member of the Satan's Choice Motorcycle Club and

spent the next five decades living a life for which he does not ask forgiveness, only that his story finally be told, and that his family finally understand what drove him to live the way he did.

Texas Monthly Xlibris Corporation
Caesar's back ... and this time Death rides with him. It's 2015. Legendary enforcer Caesar Campbell has been shot again. As the original Bandido wavers between life and death, he uses what may be his last gasps to reflect on four extraordinary decades in the Australian Badlands ... The Outlaw and the Hitman is a brutal yet compelling descent into the maelstrom of

bikie culture, bare-knuckle fight clubs and underworld violence. With savage honesty and high-octane humour, Caesar takes us deep into a world brimming with gangsters, strippers and bikers, dispensing a unique brand of wisdom along the way and introducing us to the deadliest assassin in the land, The Widowmaker. It's another wild ride on the dark side from the bestselling author of the classics Enforcer and Wrecking Crew.

The Epic Life of Frank Hamer, the Man Who Killed Bonnie and Clyde Macmillan
Among members of the outlaw motorcycle clubs, Caesar Campbell is a legend.

Former sergeant-at-arms and chief enforcer for the Comancheros, Caesar became the founding member and sergeant-at-arms of the Australian chapter of the Bandidos. He epitomised bikie culture - unbeatable in a fight, brutal in the extreme, fearing no one and nothing, and loyal until death. This is Caesar's story, from his recruitment into the Comancheros, to the savage split within the club that led to the foundation of the Bandidos and the bloody massacre at Milperra that resulted from it. This was the massacre that saw the death of two of Caesar's brothers, and resulted in four bullet wounds and a lengthy jail term for him. Never before has someone so respected in the bikie gangs opened a window on to their world. The fact that Caesar has been able to do so is a testament to his ruthlessness, his fearlessness and his reputation in the bikie community. Enforcer is a unique and captivating true crime story that will shock you with its raw violence, its brutality and its insights into an outlaw world.

Land of the Doublejoints Arte Publico Press

The little-known story of how a young Wyatt Earp, aided by his brothers,

defeated the Cowboys, the Old West's biggest outlaw gang. Wyatt Earp is regarded as the most famous lawman of the Old West, best known for his role in the Gunfight at the O.K. Corral in Tombstone, Arizona. But the story of his two-year war with a band of outlaws known as the Cowboys has never been told in full. The Cowboys were the largest outlaw gang in the history of the American West. After battles with the law in Texas and New Mexico, they shifted their operations to Arizona. There, led by Curly Bill Brocius, they ruled the border, robbing, rustling, smuggling and killing with impunity until they made the fatal mistake of tangling with the Earp brothers. Drawing on groundbreaking research into territorial and federal government records, John Boessenecker's *Ride the Devil's Herd* reveals a time and place in which homicide rates were fifty times higher than those today. The story still bears surprising relevance for contemporary America, involving hot-button issues such as gang violence, border security, unlawful immigration, the dangers of political propagandists parading as journalists, and the prosecution of police officers for

carrying out their official duties. Wyatt Earp saw it all in Tombstone.

Principles of Posse Management

University of Oklahoma Press

The spiritual godfather of Canadian bikers tells the story of his fascinating life. You could call Bernie Guindon the Sonny Barger of Canadian bikers (but not to his face). The founder of Satan's Choice, Guindon led what was in the 1960s the second-largest biker club in the world (after the Hells Angels, which Bernie would join briefly in the early 2000s) to national prominence and international infamy. His life wasn't all bikes and crime. He was also a medalist in boxing for Canada at the Pan Am Games. That tension between the very rough life he was born into and the possibility for success in the straight world (and how aspirations in each fed his success in the other) layer Guindon's story, one of the great untold stories in biker history. Friends from the biker world and Guindon's family have given extensive interviews for *Hard Road*, including his son, Harley, a convict and outlaw biker himself.

Bandido John Wiley & Sons

The Life and Adventures of Joaquin Murieta

(1854) is a novel by John Rollin Ridge. Published under his birth name Yellow Bird, from Cheesquatalawny in Cherokee, *The Life and Adventures of Joaquin Murieta* was the first novel from a Native American author. Despite its popular success worldwide—the novel was translated into French and Spanish—Ridge’s work was a financial failure due to bootleg copies and widespread plagiarism. Recognized today as a groundbreaking work of nineteenth century fiction, *The Life and Adventures of Joaquin Murieta* is a powerful novel that investigates American racism, illustrates the struggle for financial independence among marginalized communities, and dramatizes the lives of outlaws seeking fame, fortune, and vigilante justice. Born in Mexico, Joaquin Murieta came to California in search of gold. Despite his belief in the American Dream, he soon faces violence and racism from white settlers who see his success as a miner as a personal affront. When his wife is raped by a mob of white men and after Joaquin is beaten by a group of horse thieves, he loses all hope of living alongside Americans and turns to a life of vigilantism. Joined by a posse of similarly

enraged Mexican-American men, Joaquin becomes a fearsome bandit with a reputation for brutality and stealth. Based on the life of Joaquin Murrieta Carrillo, also known as The Robin Hood of the West, *The Life and Adventures of Joaquin Murieta* would serve as inspiration for Johnston McCulley’s beloved pulp novel hero Zorro. With a beautifully designed cover and professionally typeset manuscript, this edition of John Rollin Ridge’s *The Life and Adventures of Joaquin Murieta* is a classic work of Native American literature reimagined for modern readers.

Texas Ranger Macmillan Publishers Aus. One of the great lawmen of the Old West, Bob Paul (1830-1901) cast a giant shadow across the frontiers of California and Arizona Territory for nearly fifty years. Today he is remembered mainly for his friendship with Wyatt Earp and his involvement in the stirring events surrounding the famous 1881 gunfight near the OK Corral in Tombstone, Arizona. This long-overdue biography fills crucial gaps in Paul’s story and recounts a life of almost constant adventure. As told by veteran western historian John Boessenecker, this story is more than just

a western shoot-’em-up, and it reveals Paul to be far more than a blood-and-thunder gunfighter. Beginning with Paul’s boyhood adventures as a whaler in the South Pacific, the author traces his journey to Gold Rush California, where he served respectively as constable, deputy sheriff, and sheriff in Calaveras County, and as Wells Fargo shotgun messenger and detective. Then, in the turbulent 1880s, Paul became sheriff of Pima County, Arizona, and a railroad detective for the Southern Pacific. In 1890 President Benjamin Harrison appointed him U.S. marshal of Arizona Territory. Transcending local history, Paul’s story provides an inside look into the rough-and-tumble world of frontier politics, electoral corruption, Mexican-U.S. relations, border security, vigilantism, and western justice. Moreover, issues that were important in Paul’s career—illegal immigration, smuggling on the Mexican border, youth gangs, racial discrimination, ethnic violence, and police-minority relations—are as relevant today as they were during his lifetime.

Bandido John Wiley & Sons Incorporated Principles of Posse Management tells the

stories of the lawmen and leaders of the Old West who organized citizens in the pursuit of law and order. This collection of tales reveals what Wyatt Earp, Bat Masterson, and other legends of the old west knew about leadership with a clever twist on the classic shoot-em-up, black-hats-vs-white-hats tale.

Shotguns and Stagecoaches Thomas Dunne Books

Season of Terror is the first book-length treatment of the little-known true story of the Espinosas—serial murderers with a mission to kill every Anglo in Civil War-era Colorado Territory—and the men that brought them down. For eight months during the spring and fall of 1863, brothers Felipe Nerio and José Vivián Espinosa and their young nephew, José Vincente, New Mexico-born Hispanos, killed and mutilated an estimated thirty-two victims before their rampage came to a bloody end. Their motives were obscure, although they were members of the Penitentes, a lay Catholic brotherhood devoted to self-torture in emulation of the sufferings of Christ, and some suppose they believed themselves inspired by the Virgin Mary to commit their slaughters. Until now, the

story of their rampage has been recounted as lurid melodrama or ignored by academic historians. Featuring a fascinating array of frontier characters, Season of Terror exposes this neglected truth about Colorado's past and examines the ethnic, religious, political, military, and moral complexity of the controversy that began as a regional incident but eventually demanded the attention of President Lincoln.

Zoot Suit & Other Plays HarperCollins
 Badge and Buckshot is a comprehensive book at many of the once-famous peace officers and outlaws of Old California. Told here for the first time are the true stories of Ben Thorn, the iron-willed but scandal-plagued sheriff of Calaveras County; John C. Boggs, the fast-shooting nemesis of the Tom Bell and Rattlesnake Dick gangs; Ben and Dudley Johnson, the notorious "Tulare Twins"; Kid Thompson, whose train-robbing exploits took place just blocks from present-day Los Angeles film and television studios; and Coates-Frost feud, California's bloodiest vendetta, which endured more than twenty years and left fourteen men dead. Here, too, are the first complete accounts of Captain Ingram's

Rangers, the band of Confederate guerrillas who raided stagecoaches in California during the Civil War; Steve Venard, the soft-spoken lawman who killed three outlaws in a single gunfight; and the legendary Bill Miner, whose career of banditry spanned almost half a century. The product of more than ten years of painstaking research, Badge and Buckshot recounts one of the forgotten sagas of the Old West, an action-packed tale of shoot-outs, stage holdups, manhunts, and lynchings. At the same time, through extensive use of pioneer newspaper files, court records, and previously unpublished illustrations, it shatters old myths and demonstrates the overall effectiveness of the criminal justice system in Old California. For authentic Americana, Badge and Buckshot is not to be missed.

Allen & Unwin

A comprehensive and rigorous introduction for graduate students and researchers, with applications in sequential decision-making problems.

Season of Terror University of Oklahoma Press

On the morning of April 8, 2006, residents of the hamlet of Shedden, Ontario, woke

up to the news that the bloodied bodies of eight bikers from the Bandidos gang had been found dead on a local farm. The massacre made headlines around the world, and the shocking news brought a grim light to an otherwise quiet corner of the province. Six Bandidos would eventually be convicted of the first-degree murder of their biker brothers. Like other outlaw bikers, Bandidos portray themselves as motorcycle aficionados who are systematically misunderstood and abused by police, as well as feared by the public. We now know the Bandidos were anything but simple motorcycle enthusiasts. However, unlike such biker gangs as the Hells Angels, who run sophisticated criminal empires, the Bandidos were highly disorganized and prone to petty infighting, and even engaged in sabotaging fellow members. This is the story of how the Bandidos self-destructed over one dark night. As gripping as any crime novel, *The Bandido Massacre* takes us inside a crumbling brotherhood bent on self-obliteration and betrayal.

Badge and Buckshot Speaking Volumes
A profile of Oscar "Zeta" Acosta describes

his early years with the U.S. Air Force and as a law student and chronicles his political activism in East Los Angeles that led to the "Brown Power" movement. By the author of *Growing Up Latino*. Reprint.

The Assimilation: Rock Machine Become Bandidos - Bikers United Against The Hells Angels

University Press of Colorado
A comprehensive overview of organized crime looks at the history and daily functioning of organized criminal activities throughout the world as well as the international laws and treaties governing the treatment of these organizations.

Murder in Baker Company

HarperCollins Canada
A selection of the author's plays includes his most critically acclaimed works, exploring the theme of a search for identity in such settings as World War II, nineteenth-century California, and the television industry.

The Life and Adventures of Joaquín Murieta
Vintage Canada

This collection explores the varieties of banditry in Latin America and provides a major comparative testing of Hobsbawm's model of the social bandit. Comprised of a

unique collection of essays, it contributes to a more accurate understanding of bandit leaders and followers, as well as to the analysis of banditry as a social phenomenon.

When Law Was in the Holster Praeger

Harry Morse - gunfighter, manhunter, sleuth - was among the West's most famous lawmen. Elected sheriff of Alameda County, California, in 1864, he went on to become San Francisco's foremost private detective. His career spanned five decades. In this biography, John Boessenecker brings Morse's now-forgotten story to light, chronicling not only the lawman's remarkable adventures but also the turbulent times in which he lived. Armed only with raw courage and a Colt revolver, Morse squared off against a small army of desperadoes and beat them at their own game. He shot to death the notorious bandidos Narato Ponce and Juan Soto, outgunned the vicious Narciso Bojorques, and pursued the Tiburcio Vasquez gang for two months in one of the West's longest and most tenacious manhunts. Later, Morse captured Black Bart, America's greatest stagecoach robber. Fortunately, Harry Morse loved to

tell of his feats. Drawing on Morse's diaries, memoirs, and correspondence, Boessenecker weaves the lawman's colorful accounts into his narrative. Rare photographs of outlaws and lawmen and of the sites of Morse's exploits further enliven the story. A significant contribution to both western history and the history of law enforcement, Lawman is also an in-depth treatment of Hispanic crime and its causes, immigration, racial prejudice, and police brutality - issues with which California, and the nation, still grapple today.

Tales of Gold Rush Outlaws, Gunfighters, Lawmen, and Vigilantes Blockhead City

A true and chilling first hand account of the criminal involvement of the feared Bandidos gang - the most powerful and influential crime group currently operating in Australia and North America today - and how one man broke their code and turned informant.

Bernie Guindon and the Reign of the Satan's Choice Motorcycle Club University of Texas Press

An expose of the Bandidos Motorcycle Club and the memoirs of Edward "Connecticut Ed" Winterhalder. This 448 page 6' x 9" hard cover book contains more than 150 color photographs and

sports a dynamic dust cover jacket. Detailing the establishment and growth of the Bandidos Motorcycle Club in Canada, Europe and Oklahoma, this historical look into the outlaw motorcycle club world is a must read for every Harley rider on the planet.

The Untold Story of Pearl Hart, the Wild West's Most Notorious Woman Bandit ABC-CLIO

The author recounts his early years in Brooklyn, struggles to become an actor, work with such stars as Marlon Brando and Marilyn Monroe, and role as one of the earliest members of the famed Actors Studio.
