*Wines of Spain and*  
*Portugal Touchstone*  
The companion volume  
to Evans' *The wines of*  
northern Spain  
explores the great  
variety of wines  
produced across the  
rest of Spain.

Beginning in the east  
with Catalunya, the  
book journeys south  
down the  
Mediterranean coast to  
the Levante. The heart  
of Spain, including  
Madrid and La Mancha  
is explored before we  
reach Andalucia in the  
south and voyage on to  
the Balearic and  
Canary Islands. The  
regions covered could

not be more different, separated by language, customs and history as well as by gastronomy and wines. After a chapter on key grape varieties Evans explores each region in turn, relating its history, exploring current trends in winemaking and viticulture and profiling the key producers. There is also a chapter on Spain's sparkling wines.

#### The Spanish Table

Grupo Penin

The Pen Guide to Spanish Wine 2013 is the most widely-read Spanish wine guide and the most international reference book on Spanish Wine with ratings on 9,800 wines and information about 2,000 wineries. The book includes the latest vintages and brands r

Wine lovers everywhere are starting to realize what the pros have known for some time: Spain delivers some of the world's highest-quality wines for the money. The big question many consumers have, though, is where to start in their Spanish wine journey. Decoding Spanish Wine: A Beginner's Guide to the High-Value, World-Class Wines of Spain cuts through the jargon and complexities to present the grapes, regions and culture of Spain in a concise, approachable format that will have beginning and middle-stage wine consumers on their way to becoming Spanish wine pros. Learn about the

different types of grapes used in Spanish wines, along with the classifications listed on the bottle. Understand the main regions producing wine and how their culture and methods differ so you can better find wines that suit your tastes. Discover how you can visit a wine shop or restaurant and uncover some of the best bargains. Most importantly, have fun while you're doing it. Broadening your wine horizons doesn't have to involve bulling your way through a dense collection of mindnumbing facts. Written in an entertaining, easy-to-digest fashion, *Decoding Spanish Wine* includes the core info you need to get started on your journey to enjoying a new world

of exciting, high-value wine from one of the planet's greatest wine-producing countries. [Decoding Spanish Wine](#) Simon and Schuster - Now in its 31st edition, this is the definitive guide to Spanish wine - Includes a free web code that allows access to the Grupo Peñín online database of wines Now in its 31st edition, the Peñín Guide Spanish Wine 2021 is the definitive guide to Spanish wine. Each year our team of tasters travels to every wine-growing area of Spain to taste and review new varieties, labels and vintages, and this year's edition of the guide contains information on more than 10,500 new wines. Whatever your budget, the Peñín Guide is the

indispensable guide for those who want to discover the best of Spanish wine.

*The Wines of Spain*

Penguin

Spain has more land under vine than any other country in Europe, and over the past thirty years has transformed its wine industry into one of the greatest in the world.

Using a unique combination of native and imported grape varieties, Spain now produces a wide range of quality wines. Yet its wine regions and villages, many of which are located in unspoiled and remote areas, remain relatively unknown.

The authors introduce the wine-loving traveler to these regions providing a background to their wines and leading

bodegas, or wineries.

*The Wines of Spain & Portugal*

The Wines of Spain covers everything a wine enthusiast needs to know about the wine regions of Spain and their producers. In the introductory section the anatomy of Spanish wine is explained, alongside information on the laws and labels, demystifying the large range of official seals and wording found on Spanish wine labels. Also provided are helpful tips for visitors when ordering wines and other drinks in Spain. The wines of northern Spain There's no doubt about it, Spain is the most exciting country in Europe when it comes to wine. As Europe's second most mountainous country,

with exposure to seas and oceans on every side, it's very diverse in terroir, culture, language and lifestyle. In northern Spain there are four main wine producing areas: Rioja, Galicia, Catalonia and Ribera del Duera in Castilla y Leon. Each is unique and produces fine wines with its own Denomination of Origin guarantee. The heart of wine-producing northern Spain is Rioja, which has produced high quality wines for centuries. (In the 1800s Rioja benefited from its alliance with Bordeaux, conferring technological advantages unknown to other Spanish regions.) But quality doesn't stop in Rioja. Navarra is home to many of the most modern and cutting edge producers.

Calatayud and Campo de Borja are home to some of the greatest Grenache vineyards in the world outside of the Southern Rhone, and Priorat and the surrounding area of Montsant in Catalonia produce some of the renowned Spanish wines. Sarah Jane Evans, the world's leading authority on the wines of Spain, begins with a history of the region: from phylloxera, the replanting of different, and international, varieties through the aftermath of the Civil War and the effects on the wine industry, to recovery and innovation in late 20th century, the promise of the 21st century and the rediscovery of indigenous varieties, as well as a quick detour through the recent

effects of the economic crisis. She then takes the sub-regions in turn, starting with a profile before opening out into discussion of the key producers and their top wines. Evans' surefooted guide to the wines of northern Spain is an essential companion for anyone interested in Spanish wine, from students and professionals to interested wine tourists.

### **The New Spain**

Sterling Publishing (NY)  
In the recent years, Cava has taken the stage as Spain's star sparkling wine, not only thanks to its remarkable quality to price ratio, but also because more and more connoisseurs are recognizing its richness and complexity. This book offers a great overview of the Cava's

origins, its elaboration, and its variety of tastes. You will learn all you need to know about the grapes, the traditional methods, as well as established and emerging premium Cava producers.

Recipes of traditional Catalan dishes that perfectly accompany a Cava dinner round off this concise, but very informative book

*The Wines of Spain*  
Doubleday Books

Picturesque Rioja, Spain's most prominent wine region, is a new world within a very old world.

Winemaking here dates to Roman and medieval times, and today modern wineries designed by Gehry, Calatrava, and other celebrity architects flourish alongside traditional villages.

Lavishly illustrated with

photographs of the people and landscape and with detailed maps, this guide ranges over a diverse area from Rioja to Navarra, Bierzo, Galicia, and the Basque country as it explores winemaking from the ancient to the traditional and modern. Written by a trio of experts on Spanish wine, it provides insider information on a region home to Spain's finest Tempranillo, its prestigious Albariño, and many other indigenous grape varieties such as Garnacha, Mazuelo, and Viura. The authors look in depth at topics including climate and soil, grape varieties, and viticulture, and profile more than 85 individual wineries. They also include

information not available elsewhere: several top ten lists plus "secret addresses" for the best restaurants and shops in which to find aged and historic vintages of Rioja.

### **The Wines of Central and Southern Spain**

Mitchell Beazley

This brand-new, second edition of *The New Spain* is the only up-to-date, illustrated reference to Spanish wines. John Radford takes the reader on a region-by-region tour of Spain's rapidly changing vineyards and wineries. All aspects of Spanish wines are covered in depth, from soil types and vineyard classification to the most innovative bodegas and newest styles of red, white, and sparkling wines.

There are comprehensive producer profiles for each wine region, as well as tips on the best wines available and an easy-to-use glossary of Spanish wine terms. More than 150 color photographs and detailed maps showing the location of all wine regions complete this indispensable book.

*The Wines in Spain and Portugal* Infinite Ideas  
A free ebook guide to Spain's northernmost wine producing regions – Galicia, Asturias and the Cantabrian coast – by Sarah Jane Evans MW. The history, geography, winemaking culture and important grape varieties of each are discussed. Producer profiles introduce readers to notable winemakers. A useful ebook for both wine

buyers and wine tourists.

Most rational people don't pay \$40 for \$20 items. And yet with wine, it happens all the time. Wine can be an expensive hobby.

Founder of the popular site

ReverseWineSnob.com,

Jon Thorsen is an unapologetic frugal wine consumer. He flips wine snobbery on its head by pushing a \$20 or less mantra.

Reverse Wine Snob is designed to help wine drinkers stop wasting money and get the most satisfaction out of their drinking dollars. It reveals Thorsen's Ten Tenets of Reverse Wine Snobbery—ten beliefs that eliminate myths about wine—as well as a unique rating system that includes

the cost of the bottle so that there is satisfaction in both taste and price. In Jon's unique system, the more expensive a wine, the better it must taste. Reverse Wine Snob explains: The number one rule all wine drinkers should follow, no matter what the wine snobs say. How to shop for wine at stores like the nation's #1 wine retailer Costco and Trader Joe's. The regions and varieties of wine that give the best value. Why the price of a wine has nothing to do with its taste. Why the distribution system in the US is broken which costs you money and limits your wine choices. Tons of Jon's very favorite wine picks. Jon dapples in every kind of wine from \$10 kitchen sink blends

to the \$20 "Saturday Night Splurge," so delicious it's worth twice the price. Reverse Wine Snob brings plain old common sense to the wine industry and encourages wine lovers to explore the world of inexpensive quality wine. Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and

German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

*A Traveller's Wine Guide to Spain*

Createspace  
Independent Publishing Platform

The transformation of the Spanish wine industry over the last 20 years has been astonishing. From a state of very considerable decay it has re-invented itself

with great vigour and style. Four decades ago such reputation as the wines of Spain had rested on the declining quality of Sherry and the occasional majestic Rioja towering above the surrounding sea of mediocre, oxidised table wines. "How things have changed!" exclaims Julian Jeffs in the introduction to his valuable *The Wines of Spain*, the latest addition to Faber and Faber's series of wine books. Over the course of two years Jeffs put in a great deal of intensive research in Spain, travelling the length and breadth of the country, visiting growers and tasting their wines. The effort has paid off in a wealth of engrossing detail. The volume is organised into sections dealing with the main

provinces or geographical regions-- Aragon, Catalunya, Andalucia and so on-- then within those by the individual Denominacion de Origen (DO). Within each DO the leading or most interesting bodegas are profiled, allowing Jeffs to build up a cumulative portrait of the regional characters. Especially evocative are the portions of the book dealing with the ancient and distinguished Sherry houses in Andalucia, many of them of course founded in the 18th or 19th centuries by British or Irish merchants. The account of the great Bodegas Vega Sicilia in Castilla is emblematic of the progress of the entire Spanish wine industry: Producing

some of the world's finest wine up to the 1920s, it fell into poor practices and the quality and reliability of the wine suffered badly. Under the modernising current owners the wine has regained its former reputation. According to Julian Jeffs, Vega Sicilia "is on a Wagnerian scale, with all that master's subtlety and complexity." --Robin Davidson --This text refers to an out of print or unavailable edition of this title.

Cwl Wines Of Rioja

Ebook Grupo Penin

Once internationally renowned only for Sherry and Rioja, Spain has in recent years come to be known for fine wines produced in Costers del Segre, Navarra, Penedes, Priorato, Ribera del

Duero, Rias Baijas, Somontano and many other regions. Based on two years' travel all over the country, researching the wines as well as tasting all those the author could find on the United Kingdom market, this is an account of vineyards in remote places, and their produce.
