Moomin Love (Foiled

Pocket Journal) Bonnier

Zaffre Ltd.

"Persephone is the

Goddess of Spring in title

only. Since she was a little

girl, flowers have only

shriveled at her touch.

After moving to New

Athens, she hoped to lead

an unassuming life

disguised as a mortal

journalist. All of that

changes when she sits

down in a forbidden

nightclub to play a hand

of cards with a hypnotic

and mysterious stranger.

Hades, God of the Dead,

has built a gambling

empire in the mortal

world and his favorite bets

are rumored to be

impossible. But nothing

has ever intrigued him as

much as the goddess

offering him a bargain he

can't resist. After her

encounter with Hades,

Persephone finds herself

in a contract with the God

of the Dead, and his

terms are impossible:

Persephone must create life in the Underworld or lose her freedom forever. The bet does more than expose Persephone's failure as a goddess, however. As she struggles to sow the seeds of her freedom, love for the God of the Dead grows—a love that is both captivating and forbidden"—

So. Many. Planner Stickers. Workman Publishing Company

This groundbreaking book explores the interpretative potential and analytical capacity of the concept 'fascist warfare'. Was there a specific type of war waged by fascist states? The concept encompasses not only the practice of violence at the front, but also war culture, the relationship between war and the fascist project, and the construction of the national community. Starting with the legacy of the First World War and using a transnational approach, this collection presents case studies of fascist regimes at war, spanning Nazi Germany, Fascist Italy, Francoist Spain, Croatia, and Imperial Japan. Themes include the idea of rapid warfare as a symbol of fascism, total war, the role of modern technology, the transfer

of war cultures between regimes, anti-partisan warfare as a key feature, and the contingent nature and limits of fascist warfare.

The Impossible Collection of Warhol Peter Pauper Press

Getting Things Done

Fourth Estate

The action-packed and gripping new adventure by number one bestselling author, Wilbur Smith, about one man's quest for revenge. 'An exciting, taut and thrilling journey you will never forget' - Sun
THE DESIRE FOR REVENGE CAN BURN THE HEART OUT OF A MAN.

The son of a wealthy plantation owner and a doting mother, Mungo St John is accustomed to wealth and luxury - until he returns from university to discover his family ruined, his inheritance stolen and his childhood sweetheart, Camilla, taken by the conniving Chester Marion. Mungo swears vengeance and

devotes his life to saving Camilla-and destroying Chester. Camilla, trapped in New Orleans, powerless as a kept slave and subject to Chester's brutish behaviour, must do whatever it takes to survive. As Mungo battles his own fate and misfortune, he must question what it takes for a man to regain his power in the world when he has nothing, and what he is willing to do to exact revenge... PRAISE FOR WILBUR SMITH: 'A Master Storyteller' - Sunday Times 'Wilbur Smith is one of those benchmarks against whom others are compared' - The Times 'No one does adventure quite like Smith' - Daily Mirror
Notebook: Large, Ruled
Blurb
Andy Warhol's explosive Pop Art and sharp commentary on advertising and celebrity culture are renowned and deeply relevant even decades after their creation. Though Warhol himself could be a polarizing figure both personally and professionally, there is no doubt that he was a pioneer of the Pop movement, and today, as a result, his works regularly fetch astronomical prices. Eric

Shiner, Warhol expert and former Andy Warhol Museum director, curates the 100 quintessential, unique works that define the evolution of this illustrious artist, tracing Warhol's dynamic career from the late forties to the end of the eighties and creating a stunning compendium whose pieces, due to their rarity, value, and prestige as part of a museum or other collection, could simply never all be acquired by a single collector.

Agenda -Weekly Planner

2021 Da Capo Press
Fantastic Beasts and Where to Find Them takes fans to a new era in J.K. Rowling's Wizarding World, decades before Harry Potter and half a world away. Inspired by the Hogwarts textbook, Fantastic Beasts and Where to Find Them, written by J.K. Rowling's character, Newt Scamander, the film follows a magical mix-up that takes Newt on a chase around New York City looking for the magical creatures that have escaped from his case. This kit contains a collectible miniature replica of Newt's leather case, complete with sound and hand movement of the Niffler, along with a 48-page book

of short profiles of *Newt and the beasts* and full-color imagery from the film.

The Happiness Planner (June-July) Ultimate Personalize your agenda and stay extra-organized with this set of hundreds of stylish planner stickers! Keep track of all your appointments, special days, dates, vacations, and celebrations. Selections include multiples of "Birthday," "Appointment," "Date Night," "Day Off," "Girls' Night Out," "Laundry," "Deadline!" "Crucial," "Make It Happen," "Fun!" "Lazy Day," and many more! Decorative stars, circles, faces, hearts, and more allow for further calendar customization. Set includes over 575 different stickers in a variety of shapes and colors. Perfect for any planner, calendar, or journal. Sticker set fits in the back pockets of all Peter Pauper Press planners so you can keep them at your fingertips! Package measures 4 inches wide x 7-1/2 inches high.

Midnight in Everwood Bloomsbury Publishing Many coastal communities have built structures at their beaches and added quantities of sand in

contoured designs to combat erosion. Are such beach nourishment projects technically and economically sound? Or are they nothing more than building sand castles, as critics claim? Beach Nourishment and Protection provides a sound technical basis for decision-making, with recommendations regarding the utility of beach nourishment, the appropriate role of federal agencies, responsibility for cost, design methodology, and other issues. This volume: Examines the economic and social role of beaches, the history of beach nourishment projects, and management strategies for shore protection. Discusses the role of the U.S. Army Corps of Engineers and other federal agencies, with a close-up look at the federal flood insurance program. Explores the state of the art in project design and prediction of outcomes, including the controversy over the use of traditional and nontraditional shore protection devices. Addresses what is known about the environmental impacts of beach nourishment. Identifies what outcomes should be

targeted for continued monitoring by project officials. Beach Nourishment and Protection provides insight into the technical, economic, environmental, and policy implications of beach nourishment and protection, with examples and suggested research directions.

Rhythm of War Part One
National Geographic Books

An introduction to marketing concepts, strategies and practices with a balance of depth of coverage and ease of learning. Principles of Marketing keeps pace with a rapidly changing field, focussing on the ways brands create and capture consumer value. Practical content and linkage are at the heart of this edition. Real local and international examples bring ideas to life and new feature 'linking the concepts' helps students test and consolidate understanding as they go. The latest edition enhances understanding with a unique learning design including revised, integrative concept maps at the start of each chapter, end-of-chapter

features summarising ideas and themes, a mix of mini and major case studies to illuminate concepts, and critical thinking exercises for

applying skills.
2022 Weekly Planner Insights
This book brings together the lessons of research on

both the nature of learning and different educational applications, and it summarises these as seven key concluding principles.
