## **JOSHUA LEBLANC**

### **Harry Potter and the Cursed Child** Cosimo Classics

Examines the effects of television culture on how we conduct our public affairs and how "entertainment values" corrupt the way we think.

Brave New World (MAXNotes Literature Guides) Influence Publishers

A BOSTON GLOBE BEST BOOK OF THE YEAR • With unwavering humanity and light-footed humor, this intimate account of the interminable year of 2020 offers commentary on the COVID-19 pandemic, protests for racial justice, the U.S. presidential election, and more, all with a miraculous dose of groundedness in head-spinning times. "This book is so funny and so true. Charles Finch unpacks a year of plague, fear, shameless venality, and dizzying stupidity with an irrepressible wit and surgically precise cultural observations. I didn't know how badly I needed exactly this. Maybe you do too?" —Joe Hill, author of Heart-Shaped Box In March 2020, at the request of the Los Angeles Times, Charles Finch became a reluctant diarist: As California sheltered in place, he began to write daily notes about the odd ambient changes in his own life and in the lives around him. The result is *What Just Happened*. In a warm, candid, welcoming voice, and in the tradition of Woolf and Orwell, Finch brings us into his own world: taking long evening walks near his home in L.A., listening to music, and keeping virtual connections with friends across the country as they each experience the crisis. And drawing on his remarkable acuity as a cultural critic, he chronicles one endless year with delightful commentary on current events, and the things that distract him from current events: Murakami's novels, reality television, the Beatles. *What Just Happened* is a work of empathy and insight, at once of-the-moment and timeless—a gift from one of our culture's most original thinkers.

### **Study Guide** Standard Ebooks

Essentially a complete teacher's manual for the novel, this LitPlan Teacher Pack includes lesson plans and reproducible resource

Each chapter is individually summarized and analyzed, and has study questions and answers.

Study Guide: Brave New World Ivan R. Dee

"Every day he made the discovery of something which seemed to him exquisitely beautiful..." -Aldous Huxley, *Young Archimedes and Other Stories* (1924) *Young Archimedes and Other Stories* (1924) by Aldous Huxley is a collection of six stories considered to be semi-autobiographical and originally published under the title of *Little Mexican and Other Stories*. The collection includes the aforementioned titles as well as *Uncle Spencer*, *Hubert and Minnie*, *Fard*, and *The Portrait* and diverge from his well-known dystopian writing. All are set in Europe and offer thoughtful

discourse on childhood, love, life, death, and society. This anthology is a must-read for lovers of short stories, early twentieth century literature, and Huxley's writing.

*Brave New World* Arrow

Unlock the more straightforward side of *Brave New World* with this concise and insightful summary and analysis! This engaging summary presents an analysis of *Brave New World* by Aldous Huxley, a pioneering science fiction novel which is generally considered one of the most significant English novels of the 20th century and remains a classic today. Its harrowing depiction of a totalitarian society built on a class system which is strictly enforced through the use of social conditioning and eugenics provides readers with a frightening glimpse of the future that could potentially await humanity, in which all emotions are suppressed and freedom is nothing more than an illusion. Aldous Huxley was a prolific English author who wrote nearly 50 novels, essays and other works of nonfiction. His writing often reflected his political beliefs, and he was a frequent nominee for the Nobel Prize in Literature. He died in 1963. Find out everything you need to know about *Brave New World* in a fraction of the time! This in-depth and informative reading guide brings you: • A complete plot summary • Character studies • Key themes and symbols • Questions for further reflection Why choose BrightSummaries.com? *A Study Guide for Aldous Huxley's Brave New World* Knopf

A year of gospel-saturated daily devotions from renowned Bible teacher Alistair Begg. Start with the gospel each and every day with this one-year devotional by renowned Bible teacher Alistair Begg. We all need to be reminded of the truth that anchors our life and excites and equips us to live for Christ. Reflecting on a short passage each day, Alistair spans the Scriptures to show us the greatness and grace of God, and to thrill our hearts to live as His children. His clear, faithful exposition and thoughtful application mean that this resource will both engage your mind and stir your heart. Each day includes prompts to apply what you've read, a related Bible text to enjoy, and a plan for reading through the whole of the Scriptures in a year. The hardback cover

and ribbon marker make this a wonderful gift.

*Brave New War* Sherwood Press

This classic novel of a perfectly engineered society is "one of the most prophetic dystopian works of the twentieth century" (The Wall Street Journal). Half a millennium from now, in the World State, the watchword is that every one belongs to every one else. No matter what class of human you are bred to be—from the intellectual Alphas to the Epsilons who provide the manual labor—you are a part of the efficient, well-oiled whole. You are nourished, secure, and blissfully serene thanks to the freely distributed drug called soma. And while sex is strongly encouraged, the old way of procreation is forbidden, eliminating even the pains of childbirth. But when a man and woman journey beyond these confines to where the "savages" reside, and bring back two outsiders, the cracks begin to show. Named as one of the 100 best English-language novels of the twentieth century by the Modern Library, *Brave New World* is one of the first truly dystopian novels. Influenced by the historic events of Huxley's era yet as relevant today as ever, it is a remarkable depiction of the conflict between progress and the human spirit. "Chilling. . . . That he gave us the dark side of genetic engineering in 1932 is amazing." —Providence Journal-Bulletin "It is a frightening experience, indeed, to discover how much of his satirical prediction of a distant future became reality in so short a time." —The New York Times Book Review

*Routledge Handbook of Feminist Peace Research* Rosetta Books  
The death of high school basketball star Rob Washington in an automobile accident affects the lives of his close friend Andy, who was driving the car, and many others in the school.

**Pictures of the Socialistic Future** Independently Published  
Aldous Huxley- a major figure of the literary and intellectual history of this century- dramatizes here one man's disillusionment threatening to plunge the world into a new morass.

*The Doors of Perception and Heaven and Hell* Routledge  
You no longer have to choose between "teaching the work" or "teaching to the test." Prestwick House Advanced Placement Teaching Units allow you to do both. Because we wanted the Prestwick House AP Teaching Units to meet the rigorous demands of the Advan

**Study Guide for Decoding Brave New World** Simon and Schuster

Two great classics come to life in one of the most loved books in American History. Remastered to include Illustrated exercises, a biography of Aldous Huxley, and including the full essay of Heaven and Hell, and The Doors to Perception, this book is a great gift to those who are unfamiliar with his work, or may have forgotten about Huxley's famous contemplations of life and death. - ZKBS(c) All Rights Reserved.

*Eyeless in Gaza* Turner Publishing Company

The Odyssey is one of the oldest works of Western literature, dating back to classical antiquity. Homer's epic poem belongs in a collection called the Epic Cycle, which includes the Iliad. It was originally written in ancient Greek, utilizing a dactylic hexameter rhyme scheme. Although this rhyme scheme sounds beautiful in its native language, in modern English it can sound awkward and, as Eric McMillan humorously describes it, resembles "pumpkins rolling on a barn floor." William Cullen Bryant avoided this problem by composing his translation in blank verse, a rhyme scheme that sounds natural in English. This epic poem follows Ulysses, one of the Greek leaders that brought an end to the ten-year-long Trojan war. Longing for home, he travels across the Mediterranean Sea to return to his kingdom in Ithaca; unfortunately, our hero manages to anger Neptune, the god of the sea, making his trip home agonizingly slow and extremely dangerous. While Ulysses is trying to return home, his family in Ithaca is also in danger. Suitors have traveled to the home of

Ulysses to marry his wife, Penelope, believing that her husband did not survive the war. These men are willing to kill anyone who stands in their way. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

[What Just Happened](#) Carroll & Graf Pub

Brief Candles (1930), Aldous Huxley's fifth collection of short fiction, consists of the following four short stories: "Chawdron" "The Rest Cure" "The Claxtons" "After the Fireworks" Brief Candles takes its title from a line in William Shakespeare's Macbeth, from Macbeth's famous soliloquy: "Out, out, brief candle! Life's but a walking shadow, a poor player that struts and frets his hour upon the stage and then is heard no more: it is a tale told by an idiot, full of sound and fury, signifying nothing." *Young Archimedes* Research & Education Assoc.

Fans of Elizabeth Moon and Anne Leckie will love this first thrilling adventure in an epic space opera trilogy—set in a future where alien technology comes at a steep price: human life. Aliens came to Earth 40 years ago. Their anatomy proved unfathomable and all attempts at communication failed. But through trade, humanity gained technology that allowed them to colonize the stars. The price: live humans for every alien faster-than-light drive. Kara's sister was one of hundreds exchanged for this technology, and Kara has little love for aliens. So when she is drafted by GalDiv—the organization that oversees alien trades—it is under duress. A group of colonists have been kidnapped by

aliens and taken to an uncharted planet, and an unusual team is to be sent to negotiate. As an ex-army sniper, Kara's role is clear. But artist Marc has no combat experience, although the team's pre-cog Tse is adamant that he has a part to play. All three know that success is unlikely. For how will they negotiate with aliens when communication between the species is impossible?

*The Human Situation* Ludwig von Mises Institute

A Hollywood millionaire with a terror of death, whose personal physician happens to be working on a theory of longevity—these are the elements of Aldous Huxley's caustic and entertaining satire on man's desire to live indefinitely. With his customary wit and intellectual sophistication, Huxley pursues his characters in their quest for the eternal, finishing on a note of horror. "This is Mr. Huxley's Hollywood novel, and you might expect it to be fantastic, extravagant, crazy and preposterous. It is all that, and heaven and hell too....It is the kind of novel that he is particularly the master of, where the most extraordinary and fortuitous events are followed by contemplative little essays on the meaning of life....The story is outrageously good."—New York Times. "A highly sensational plot that will keep astonishing you to practically the final sentence."—The New Yorker. "Mr. Huxley's elegant mockery, his cruel aptness of phrase, the revelations and the ingenious surprises he springs on the reader are those of a master craftsman; Mr. Huxley is at the top of his form." —London Times Literary Supplement.
