Zom-Bis a radical new series about a zombie apocalypse, told in the first person by one of its victims. The series combines classic Shan action with a fiendishly twisting plot and hard-hitting and thought-provoking moral questions dealing with racism, abuse of power and more. As Darren says, "It's a big, sprawling, vicious tale... a grisly piece of escapism, and a barbed look at the world in which we live. Each book in the series is short, fast-paced and bloody. A high body-count is guaranteed!" Can you love a bullying racist thug if he's your father? How do you react when confronted with your darkest inner demons? What do you do when zombies attack? B Smith is about to find out...
