Case in Point 9 World Health Organization The #1 New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—The Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of *How To Stop Time* and *The Comfort Book*. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library

and see for yourself? Would any of these other lives truly be better? In *The Midnight Library*, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the *Midnight Library* to decide what is truly fulfilling in life, and what makes it worth living in the first place.

A collection of the best thinking from one of the most innovative management consulting firms in the world For more than forty years, The Boston Consulting Group has been shaping strategic thinking in business. The Boston Consulting Group on Strategy offers a broad and up-to-date selection

of the firm's best ideas on strategy with fresh ideas, insights, and practical lessons for managers, executives, and entrepreneurs in every industry. Here's a sampling of the provocative thinking you'll find inside: "You have to be the scientist of your own life and be astonished four times: at what is, what always has been, what once was, and what could be." "The majority of products in most companies are cash traps . . . [They] are not only worthless, but a perpetual drain on corporate resources." "Use more debt than your competition or get out of the business." "When information flows freely, reputation, more than reciprocity, becomes the basis for trust." "As a strategic weapon, time is the equivalent of money, productivity, quality, even innovation." "When brands become business systems, brand management becomes far too important to leave to the marketing department." "The winning organization of the future will look more like a collection of jazz ensembles than a

symphony orchestra."
 "Most of our organizations today derive from a model whose original purpose was to control creativity."
 "Rather than being an obstacle, uncertainty is the very engine of transformation in a business, a continuous source of new opportunities." "IP assets lack clear property lines. Every bit of intellectual property you can own comes with connections to other valuable innovations."

As Good as Dead John Wiley & Sons
 Written by one of the top professors at Northwestern's Kellogg School of Management, *Mastering the Case Analysis* offers a systematic approach to analyzing business cases typically given in MBA job interviews. An overdue and much-needed aid to support students' preparation for case interviews, this book introduces an integrative framework for analyzing business problems and offers a detailed overview of the essential methods and concepts used in case analysis.

Interview Math Delacorte Press
 Crack the Case System is a complete training program, covering every

aspect of the infamous "case interview" favored by top management consulting firms and a growing number of Fortune 500 companies. David Ohrvall's step-by-step approach combines practical instruction on structuring, analytics and communication, as well as insider tips and insights gained from training thousands of candidates. CTCS includes over 150 bonus videos on mbacase.com, 42 practice cases, homework and drills. About the author: David Ohrvall is the global expert on the topic of case interviews. A dynamic and sought-after speaker, he trains several thousand MBAs and undergraduates each year at premiere business schools around the world, including Wharton, Stanford, Harvard Business School, Chicago Booth, Duke's Fuqua School of Business, INSEAD, Oxford and Cambridge. David also has an extensive private coaching practice that has helped launch hundreds of candidates into consulting, venture capital, and a variety of industries. David is a former management consultant (Bain & Company), and a graduate of the Wharton

School (MBA & undergrad). Learn more about David at www.mbacase.com.

The Case Interview: 20 Days to Ace the Case

John Wiley & Sons
 "If more business books were as useful, concise, and just plain fun to read as THE MCKINSEY WAY, the business world would be a better place." --Julie Bick, best-selling author of ALL I REALLY NEED TO KNOW IN BUSINESS I LEARNED AT MICROSOFT.
 "Enlivened by witty anecdotes, THE MCKINSEY WAY contains valuable lessons on widely diverse topics such as marketing, interviewing, team-building, and brainstorming." --Paul H. Zipkin, Vice-Dean, The Fuqua School of Business
 It's been called "a breeding ground for gurus." McKinsey & Company is the gold-standard consulting firm whose alumni include titans such as "In Search of Excellence" author Tom Peters, Harvey Golub of American Express, and Japan's Kenichi Ohmae. When Fortune 100 corporations are stymied, it's the "McKinsey-ites" whom they call for help. In THE MCKINSEY WAY, former McKinsey associate Ethan Rasiel lifts the veil to show you

how the secretive McKinsey works its magic, and helps you emulate the firm's well-honed practices in problem solving, communication, and management. He shows you how McKinsey-ites think about business problems and how they work at solving them, explaining the way McKinsey approaches every aspect of a task: How McKinsey recruits and molds its elite consultants; How to "sell without selling"; How to use facts, not fear them; Techniques to jump-start research and make brainstorming more productive; How to build and keep a team at the top its game; Powerful presentation methods, including the famous waterfall chart, rarely seen outside McKinsey; How to get ultimate "buy-in" to your findings; Survival tips for working in high-pressure organizations. Both a behind-the-scenes look at one of the most admired and secretive companies in the business world and a toolkit of problem-solving techniques without peer, **THE MCKINSEY WAY** is a fascinating reading that empowers every business decision maker to become a better strategic player

in any organization. [Crack the Case System](#) Little, Brown
 This book reveals that the mind automatically sorts information into distinctive pyramidal groupings. However, if any group of ideas are arranged into a pyramid structure in the first place, not only will it save valuable time and effort to write, it will take even less effort to read and comprehend it
The Complete Q&A Job Interview Book Penguin
 If you like Pandora Hearts, then you'll love Crimson-Shell, Jun Mochizuki-sensei's debut! Rescued from the darkness by Xenon, a mysterious swordsman, Claudia the Rose Witch is the foundation of the Crimson-Shell, a special division of the Red Rose-an organization aiming to capture the results of one mad scientist's experiments, the deadly Black Roses. But when Xenon's loyalties are called into question, will Claudia be strong enough to believe in her dearest friend? And what is the color of the rose blooming in Xenon's heart-a deep, passionate crimson...or a traitorous jet-black?

Five Little Pigs (Poirot)

Tycho Press

The beloved debut novel

about an affluent Indian family forever changed by one fateful day in 1969, from the author of *The Ministry of Utmost Happiness* NEW YORK TIMES BESTSELLER • MAN BOOKER PRIZE WINNER Compared favorably to the works of Faulkner and Dickens, Arundhati Roy's modern classic is equal parts powerful family saga, forbidden love story, and piercing political drama. The seven-year-old twins Estha and Rahel see their world shaken irrevocably by the arrival of their beautiful young cousin, Sophie. It is an event that will lead to an illicit liaison and tragedies accidental and intentional, exposing "big things [that] lurk unsaid" in a country drifting dangerously toward unrest. Lush, lyrical, and unnerving, *The God of Small Things* is an award-winning landmark that started for its author an esteemed career of fiction and political commentary that continues unabated.

BESTSELLING MYSTERY

SERIES • The final book in

the *A Good Girl's Guide to*

Murder series that reads

like your favorite true

crime podcast or show. By the end, you'll never think of good girls the same way again... Pip is about to head to college, but she is still haunted by the way her last investigation ended. She's used to online death threats in the wake of her viral true-crime podcast, but she can't help noticing an anonymous person who keeps asking her: Who will look for you when you're the one who disappears? Soon the threats escalate and Pip realizes that someone is following her in real life. When she starts to find connections between her stalker and a local serial killer caught six years ago, she wonders if maybe the wrong man is behind bars. Police refuse to act, so Pip has only one choice: find the suspect herself—or be the next victim. As the deadly game plays out, Pip discovers that everything in her small town is coming full circle . . .and if she doesn't find the answers, this time she will be the one who disappears. . . And don't miss Holly Jackson's next thriller, *Five Survive!* Principles of Management 3.0 Oxford University Press "The ultimate job interview book! A

systematic, foolproof way to generate offers. No job seeker should be without it." -National Job Market

"The programmed system works because it is a simple, practical, proven way to interview properly. Use it to win the interview and win the job!" -Mary Lyon, Associated Press

"Allen's 'Q&A' interview approach eliminates the fear of the unknown, replaces it with the confidence of knowing what to expect, and trains the applicant to get job offers." -Kimberly A. Hellyar, Director, Training Consultants International

What is a job interview anyway? Is it an objective examination of your experience, skills, and work ethic? Not quite. It's a screen test. You're the actor. In this bestselling guide, Jeff Allen, the world's leading authority on the interview process, shows you how getting hired depends almost completely on the "actor factor." If you know your lines, perfect your delivery, and dress for the part, you'll get hired. If you don't, you won't. In *The Complete Q&A Job Interview Book*, Jeff develops your own personalized interview script to prepare you in advance for any question that comes your way.

Covering questions on everything from personal background to management ability and technological know-how, he gives you a fail-safe delivery format for responding the right way every time. This new edition has been updated to guide you through today's changing job market, and includes an entirely new chapter on dealing with the latest open-ended interrogation questions. If getting a job is playing a part, this is your starring role. Follow the director, and you'll be a superstar!

Dengue Delacorte Press

How many pizzas are delivered in Manhattan?
How do you design an alarm clock for the blind?
What is your favorite piece of software and why?
How would you launch a video rental service in India?
This book will teach you how to answer these questions and more. *Cracking the PM Interview* is a comprehensive book about landing a product management role in a startup or bigger tech company. Learn how the ambiguously-named "PM" (product manager / program manager) role varies across companies, what experience you need, how to make your

existing experience translate, what a great PM resume and cover letter look like, and finally, how to master the interview: estimation questions, behavioral questions, case questions, product questions, technical questions, and the super important "pitch."

Crimson-Shell McGraw Hill Professional
The Case Interview Workbook contains 60 case questions for management consulting interviews, with complete solutions. Every case is compiled and edited by a team of ex-consultants from McKinsey & Company, the Boston Consulting Group, and Bain & Company. This book fills the gap left by others by providing you with plenty of high-quality cases to practice on before your interview. Many cases are from actual interviews at the top-tier firms and cannot be found elsewhere. After

working through this book, you will be prepared for every type of case question you may encounter: market sizing, estimation, operations, industry analysis, pricing, growth strategy, marketing, investment, M&A, market entry, customer segmentation, profitability, valuation, logic, issue identification, cost analysis, market expansion, and brainteasers, to name a few. These cases will help you prepare for interviews at leading management consulting firms, including McKinsey & Company, The Boston Consulting Group, Bain & Company, Oliver Wyman, Strategy& (formerly Booz & Company), A.T. Kearney, Roland Berger, and L.E.K, as well as for consulting roles at large firms such as Accenture, Deloitte, PwC, EY, and KPMG. Note that is a workbook, designed to complement other preparation books. You will have a hard time solving these cases without learning first elsewhere how to do so, e.g. which frameworks to use, how to use them, and how to structure a solution.

Turtle Hare Media
Practical Software

Architecture Solutions from the Legendary Robert C. Martin ("Uncle Bob") By applying universal rules of software architecture, you can dramatically improve developer productivity throughout the life of any software system. Now, building upon the success of his best-selling books Clean Code and The Clean Coder, legendary software craftsman Robert C. Martin ("Uncle Bob") reveals those rules and helps you apply them. Martin's Clean Architecture doesn't merely present options. Drawing on over a half-century of experience in software environments of every imaginable type, Martin tells you what choices to make and why they are critical to your success. As you've come to expect from Uncle Bob, this book is packed with direct, no-nonsense solutions for the real challenges you'll face—the ones that will make or break your projects. Learn what software architects need to achieve—and core disciplines and practices for achieving it Master essential software design principles for addressing function, component separation, and data management See how programming paradigms

impose discipline by restricting what developers can do Understand what's critically important and what's merely a "detail" Implement optimal, high-level structures for web, database, thick-client, console, and embedded applications Define appropriate boundaries and layers, and organize components and services See why designs and architectures go wrong,

and how to prevent (or fix) these failures Clean Architecture is essential reading for every current or aspiring software architect, systems analyst, system designer, and software manager—and for every programmer who must execute someone else's designs. Register your product for convenient access to downloads, updates, and/or

corrections as they become available.
