A level 1 Oxford Bookworms Library graded reader. This version includes an audio book: listen to the story as you read. Written for Learners of English by Jennifer Bassett. In EDI (the European Department of Intelligence in Brussels) there are some very secret files - the Omega Files. There are strange, surprising, and sometimes horrible stories in these files, but not many people know about them. You never read about them in the newspapers. Hawker and Jude know all about the Omega Files, because they work for EDI. They think fast, they move fast, and they learn some very strange things. They go all over the world, asking difficult questions in dangerous places, but they don't always find the answers . . .

Oxford Bookworms Library: Stage 1: Remember Miranda OUP Oxford

A level 1 Oxford Bookworms Library graded reader. Written for Learners of English by John Escott. Twenty-five million people come to England every year, and some never go out of London. But England is full of interesting places to visit and things to do. There are big noisy cities with great shops and theatres, and quiet little villages. You can visit old castles and beautiful churches - or go to festivals with music twenty-four hours a day. You can have an English afternoon tea, walk on long white beaches, watch a great game of football, or visit a country house. Yes, England has something for everybody - what has it got for you?
