Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life--or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would

lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. *Fierce Marriage* is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for

common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in

the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: *Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman* There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. *Women Living Well* is a clear and personal guide to making the most of these precious responsibilities.

It is possible to find true love through dating. In *True Love Dates*, Debra Fileta encourages singles not to "kiss dating goodbye" but instead to experience a season of dating as a way to find real love. Through powerful, real-life stories and Fileta's personal journey, this book offers profound insights from the expertise of a professional counselor. Christians are looking for answers to finding true love. They are disillusioned with the church that

has provided little practical application in the area of love and relationships. They're bombarded by Christian books that shun dating, idolize courting, fixate on spirituality, and in the end, offer little real relationship help. *True Love Dates* provides honest help for dating by providing a guide into vital relationship essentials. Debra is a professional Christian counselor who reaches millions with her popular blog, [Truelovedates.com](http://Truelovedates.com), and her book offers sound advice grounded in Christian spirituality. She delivers insight, direction, and counsel when it comes to entering the world of dating and learning to do it right the first time around. Drawing on the stories and struggles of hundreds of young men and women who have pursued the search for true love, Fileta helps readers bypass unnecessary pain while focusing on the things that really matter in the world of dating.

ECPA Christian Book Award Finalist *Your Battle against Porn Isn't about Porn. It's about Hope.* Pornography may seem inescapable, but God can free us from its

destructive power. The gospel replaces the dehumanizing lies of pornography with this surprising truth: God created us as royalty. How then can we reclaim our God-given identity to take a stand against—and ultimately starve—the predatory porn industry? In *The Death of Porn*, Ray Ortlund writes six personal letters, as from a father to his son. Ideal for individuals and small groups, it will give hope to men who have been misled by porn into devaluing themselves and others. Through Scripture and personal stories, Ortlund assures readers that God loves them the most tenderly in their moments of deepest shame. *The Death of Porn* inspires men to come together in new ways to fight the injustice of porn and build a world of nobility for every man and woman—for the sake of future generations.

*Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More.* Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. *Not Yet Married* is not

about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

An honest and groundbreaking guide to understanding the complicated emotions that develop between stepmothers and children. When faced with often overwhelming challenges, what woman with stepchildren is unfamiliar with that "stepmonster" feeling? Half of all women in the United States will live with or marry a man with children. To guide women new to this role—and empower those who are struggling with it—Wednesday Martin draws upon her own experience as a stepmother. She's frank about the harrowing process of becoming a

stepmother, she considers the myths and realities of being married to a man with children, and she counteracts the cultural notion that stepmothers are solely responsible for the problems that often develop. Along the way, she interviews other stepmothers and stepchildren and offers up fascinating insights from literature, anthropology, psychology, and evolutionary biology that explain the little-understood realities of this unique parent-child relationship and—in an unexpected twist—shows why the myth of the Wicked Stepmother is the single best tool for understanding who real stepmothers are and how they feel.

Leah Grey was still in her twenties when her life fell apart. She couldn't decide what was more depressing—the state of her marriage, or the fact that she lived in Jersey City instead of Manhattan. Until meeting her husband, she'd lived the most cliché life. She'd come from a small town in Canada that smelled like fish or manure, depending on the season. She'd fallen in love with the boy down the road, and she had a dog. Her life had been unbearably predictable—until one snowy New Year's Eve, a tall, dark, and handsome stranger from New York City walked into her life. Her debut book, *No One Brings You a Casserole When Your Husband Goes to Rehab*, is a poignant coming-of-age story about curly-haired boys and the dark side of having your dreams come true. From poufy dresses and a whirlwind romance to

considering when it was time to jump into the Hudson River, Leah candidly tells of her personal transformation through her husband's struggle with addiction. Her story offers hope to every girl who has felt like she needed to run away from her dreams because they didn't come true.

Join the millions who have learned how to take control of their lives by setting healthy boundaries with their spouses, children, friends, parents, coworkers, and even themselves, in order to live life to the fullest. Do you feel like your life has spiraled out of control? Have you focused so much on being loving and unselfish that you've forgotten your own limits? Do you find yourself taking responsibility for other people's feelings and problems? In *Boundaries*, Drs. Henry Cloud and John Townsend teach you the ins and outs of setting the boundaries that will transform your daily life. *Boundaries*, a New York Times bestseller, will give you the tools you need to learn to say yes and know how to say no. Drs. Henry Cloud and John Townsend are here to share the lessons they've learned in their years of practicing psychology and studying the patterns and

practices that support clear biblical boundaries. Since it was first published, *Boundaries* has supported millions of people around the world as they discover the importance of understanding their limitations and upholding their boundaries. In this updated and expanded edition of *Boundaries*, Drs. Cloud and Townsend answer the most common questions they've received in more than thirty years that they've studied the science behind establishing boundaries: Can I set limits and still be a loving person? What are legitimate boundaries? How do I effectively manage my digital life so that it doesn't control me? What if someone is upset or hurt by my boundaries? How do I answer someone who wants my time, love, energy, or money? Why do I feel guilty or afraid when I consider setting boundaries? How do boundaries relate to mutual submission within marriage? Aren't boundaries selfish? Discover the countless ways that *Boundaries* can change your life for the better today!

The highly popular AIATSIS map of Indigenous Australia is now available in a

compact, portable A3 size. Available flat or folded (packaged in a handy cellophane bag ) it s the perfect take-home product for tourists and anyone interested in the diversity of our first nations peoples. The handy desk size also makes it an ideal resource for individual student use. For tens of thousands of years, the First Australians have occupied this continent as many different nations with diverse cultural relationships linking them to their own particular lands. The ancestral creative beings left languages on country, along with the first peoples and their cultures. More than 200 distinct languages, and countless dialects of them, were in use when European colonization began. While people in some communities continue to speak their own languages, many others are seeking to record and revive threatened ones. Aboriginal and Torres Strait Islander peoples retain their connection to their traditional lands regardless of where they live. Using published resources available from 1988-1994, the map represents the remarkable diversity of language or nation groups of the Aboriginal and Torres Strait Islander peoples of Australia. The map was

produced before native title legislation and is not suitable for use in native title or other land claims."

A dysfunctional relationship is any relationship in which you find yourself struggling to force change, give advice, control, or fix problems. The difficulty can be due to an addiction, mental illness, abuse, a trying personality, irresponsibility, or anything else that interferes with a healthy relationship. The relationship may be breaking or already broken under the strain of the problems. When Love Hurts provides practical and scriptural tools to help you transform your dysfunctional relationship. The 10 principles in this book will help you to experience freedom--to let go and love your loved one, and to experience peace, trust, and joy in the midst of the storm. It will even provide you with tools that increase the chance that your loved one will change--the very thing that you have been trying to make him or her do and have failed. One day at a time, you will begin to change and heal. Visit Karla's website at [KarlaDowning.com](http://KarlaDowning.com)

"Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and affordable!"--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for

tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in *To Love, Honor, and Vacuum*, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same.

This paradigm-shifting book helps believers understand the process of being transformed by God's grace and truth, and challenges them to be a part of the process of discipleship in the lives of their fellow brothers and sisters in Christ. *Counseling One Another* biblically presents and defends every believer's responsibility to work toward God's goal of conforming us to the image of His Son—a goal reached through the targeted form of intensive discipleship most often referred to as counseling. All Christians will find *Counseling One Another* useful as they make progress in the life of sanctification and as they discuss issues with their friends, children, spouses, and fellow believers, providing them with a biblical framework for life and one-another ministry in the body of Christ.
