Seventh grade has been surprisingly quiet for Percy Jackson. Not a single monster has set foot on his New York prep-school campus. But when an innocent game of dodgeball among Percy and his classmates turns into a death match against an ugly gang of cannibal giants, things get...well, ugly. And the unexpected arrival of his friend Annabeth brings more bad news: the magical borders that protect Camp Half-Blood have been poisoned by a mysterious enemy, and unless a cure is found, the only safe haven for demigods will be destroyed. In the follow-up to the wildly popular *The Lightning Thief*, *The Graphic Novel*, Percy and his friends must journey into the Sea of Monsters to save their camp. But first, Percy will discover a stunning new secret about his family--one that makes him question whether being claimed as Poseidon's son is an honor or simply a cruel joke.

Featuring a faithful adaptation by Robert Venditti, stunning artwork by Attila Futaki, and sumptuous colors by newcomer Tamas Gaspar, Rick Riordan's blockbuster book comes to life in *The Sea of Monsters, The Graphic Novel*.

"*The Narrative of Arthur Gordon Pym of Nantucket*" is the only complete novel written by American writer Edgar Allan Poe. The story was inspired by a newspaper account of the shipwreck and subsequent rescue of the two men on board. Poe developed the story into a tale of the young Arthur Gordon Pym, who stows away aboard a whaling ship called the *Grampus*. Yet, it's not the mere adventures that make this book a

literary masterpiece. Poe imbued his tale with allegorical richness, biblical imagery, and psychological insights. This novel has influenced numerous writers, including Melville, James, Verne, and Nabokov.

You can't tell by looking at me that my dad is Poseidon, God of the Sea. It's not easy being a half-blood these days. Even a simple game of dodgeball becomes a death match against an ugly gang of cannibal giants - and that was only the beginning. Now Camp Half-Blood is under attack and, unless I can get my hands on the Golden Fleece, the whole camp will be invaded by monsters. Big ones . . . "[A] warmly appealing romance."

—BookPage What happens when the search for the perfect date goes perfectly wrong? Declan has commitment issues. He's been an office temp for literally years now, and his friends delight in telling people that he left his last boyfriend at the altar. And that's all true. But he's starting to think it's time to start working on his issues. Maybe. When Declan meets Sidney—a popular nonbinary YouTuber with an advice show—an opportunity presents itself: as part of *The Love Study*, Declan will go on a series of dates arranged by Sidney and report back on how the date went in the next episode. The dates are...sort of blah. It's not Sidney's fault; the folks participating are (mostly) great people, but there's no chemistry there. Maybe Declan's just broken. Or maybe the problem is that the only person he's feeling chemistry with is Sidney. Navarre and his enchilada-eating cat, Robert Johnson, pull into San Antonio and find nothing waiting but trouble. Ten years ago Navarre left town and the memory of his father's murder behind him. Now he's back, looking for answers. Yet the more Tres digs, trying to put his suspicions to rest, the fresher the decade-old crime looks: Mafia connections, construction site payoffs, and slick politicians' games all conspire to ruin his homecoming. It's obvious Tres has stirred up a hornet's nest of trouble. He gets attacked, shot at, run over by a big blue Thunderbird—and his old girlfriend, the one he wants back, is missing. Tres has to rescue the woman, nail his father's murderer, and get the hell out of Dodge before mob-style Texas justice catches up to him.
